My dear Miss Terbell:

A message from our Washington office says that Mr. Brookings is in Washington for a few days and a letter addressed to 26 Jackson Place, Washington, D.C., will reach him.

I put two questions to Mr. Farrell, as per copies enclosed, and will give you his answers as soon as practicable.

Judge Gary mentioned also Mr. Topping in connection with the question of Pittsburgh Plus discussed in Washington about 1917 before the Price Fixing Committee of the War Industries Board (he is Chairman of the Republic Iron & Steel Company). Do you care to have the same question regarding Pittsburgh Plus referred to him?

Very truly yours,
