

United States Steel Corporation.

71 Broadway, New York,

OFFICE OF THE CHAIRMAN

Sept. 22, 1925.

Miss Ida M. Tarbell,
120 East 19th St.,
New York, N. Y.

My dear Miss Tarbell:

Judge Gary asked if you will please look up the chapter in which it speaks of the beginning of the war and his having motored along the rear of the line of battle; and he would like to have some such clause as the following added:

"Although, as he states it, taking good care to keep within the zone of safety".

He would avoid anything that would seem like boasting of having gone into places of danger.

Very truly yours,

Secretary to Judge Gary.
