

# United States Steel Corporation

71 BROADWAY EMPIRE BUILDING

*New York,* May 5, 1924.

OFFICE OF THE CHAIRMAN

Miss Ida M. Tarbell,  
120 East 19th St.,  
New York, N. Y.

My dear Miss Tarbell:

When sending our letter of April 30th, I should have added the addresses of the gentlemen referred to. I will do so below so that you may reach them, if you wish, by mail. However, all of these men are accustomed to come to New York at more or less frequent intervals. Mr. Roberts and Mr. Lindabury are here nearly every Tuesday for the Finance Committee. Mr. Buffington and Mr. Palmer are generally here for the meetings of the Directors the last Tuesday of every month, and also occasionally at other times. All the rest of the gentlemen are residents of New York.

I am delighted that you are taking hold of this commission, assigned to you by the publishers, with so much interest and enthusiasm.

Very truly yours,

*J. R. Lites,*

Secretary to Judge Gary.
