

United States Steel Corporation.

71 Broadway, New York,

OFFICE OF THE CHAIRMAN

December 11, -1924.

Miss Ida M. Tarbell,
120 East 19th St.,
New York, N. Y.

My dear Miss Tarbell:

We are sending herewith an envelope containing clippings referring to Mr. Gates and supplied through the co-operation of Mr. George C. Scott. I am sure you will be careful to keep these clippings together so that they may be returned to Mr. Scott when you are through with them.

The messenger is also carrying our current portfolio in which you may find useful pictures of Judge Gary of the informal character mentioned in conversation this morning. If the desired type is not here, please let me know and special effort will be made to have them taken.

On Monday when you come to the office, you are planning, I believe, to bring with you one or both of the Worcester Museum books. We shall then be glad to write to our people in Worcester to procure from them either the negatives or additional copies of any photographs desired.

We wrote to the friends in Pomfret, but have not yet had an answer concerning photographs taken in that vicinity.

Judge Gary expects to visit Wheaton on Wednesday, December 24th. Mr. Hiram Cody and a photographer, besides Judge Gary's daughters, will accompany him. If weather conditions are favorable, the opportunity should be afforded of obtaining pictures of any localities or any old buildings now standing that would be of interest. Perhaps you will have some suggestions to offer in this regard.

I am pleased to learn that arrangements are made for the early actual publication of the work, and I understand that the April number of the magazine, which will be on sale during the month of March, will contain the first instalments.

With kind regards,

Very truly yours,

Secretary to Judge Gary.
