

George C. Holt
Pomfret, Connecticut

January 2. 1925

Dear Miss Farwell:

I duly received your
letter, and have put off
replying from day to day
until I could make some
inquiries. I have not yet
been able to do so, but will
soon; and write to let you
know that I have the matter
in mind. I shall be very
glad to render you any
assistance in my power in this
or any other matter.

Yours Faithfully,

George C. Holt
