As I write, the world is in a state of crisis.

The security of our society is at risk.

The situation is grave.

In the midst of uncertainty, we must be

resolute and

make difficult decisions.

We must

embrace change and

face the challenges ahead.

We must

unite and

work together.

In the face of adversity, we must

remain strong and

determined.

We must

overcome obstacles

and

emerge victorious.

We must

never give up.
