Miss Ida M. Tarbell,
120 East 19th St.,
New York, N.Y.

Dear Miss Tarbell:

True to my promise of December 6, I am enclosing a preliminary copy of the paper Dr. Skinner has prepared on "Lighting The World's Columbian Exposition".

While Dr. Skinner may make some changes in this paper before he presents it, the information certainly will not be materially changed so it will serve the purpose for which you wanted it.

Please do not hesitate to write me if any other way occurs to you in which we may be of help.

Sincerely yours,

Manager, Press Bureau
