Speech: Why are we Here and not at Home?

Tarbell, Ida M.
Your kind letter came just before your reply. I am grateful for your understanding.

We are in Rome; not at all well. We are the enthusiasm of the earths, and we're not too well. We are not too well. We are not too well.

Two railway engineers were arrested in a hotel. They had mixed up their orders and were arrested. The clerk who served them felt they had left him no time to eat his dinner.

The man at the window set a novel on the table to 'distract' his guest.

The man did not know what to do. He had just returned from a conference with the railway company's lawyers. The man had asked for a book, but the clerk could not find one. He offered to write the man's name on a piece of paper, but the man did not understand.

The depression was so bad that the man went to the hotel to drink as much as he could.
