MRS. WILLIAM BROWN MELONEY
EDITOR

Dear Miss Ida:

I loved your party last night. It was one of the reasons for making me agree with you that living is an upward spiral.

I enclose a letter from Mr. Field, giving you an idea of what we have in mind. Also I am sending the book to be autographed for Missy.

Since Mr. Farley is so hard on books, when you have autographed it, would you mind putting it in the enclosed envelope and leaving it, the next time you go out, with the janitor's wife. I'll send a boy after it.

With much affection,

Mary Day Winn.
