The intellectual social offering of mechanism are the ability to
release us say simply the activity
feeling of a machine to replace
the hand of a diagram to replace the
slave of the mind - an organization
to replace the adjustments of
2 ambitions - as law to replace
the moral control all done for us
- certainly to make our race
run our believes - compel us to change
at-often life 2

Curriculum - science commands
where - mum looks the mask
- 2 organizations carry out each
2x2 matrix only 0 - organization li
discrepancy organizations become effect
letter upon effect -

The two independent individuals
are not to be authoritative - organ
or mean independence - sheep seek
who cannot easily mean

Laws - not - 1st final day
