

Women

They accept one root of evil - the one
which experience has made men
familiar with - and if they can
destroy that - are willing to ~~destroy~~
the World done - The women of Kansas
have used municipal suffrage
against the saloon - in the belief
that the saloon was the root of
evil, & he has as pretty a little
volume of papers as any county
in the U. S. the direct product
of loose politics

Education was to end our habits
& the girls educated went home
& stripped back - One Saturday evening
and the club was to have been
but the club is

The club will have us
