I am more & more impressed that
the ~~only~~ most-effective results
of the Springfield Normal
Education, access to public
work organization, improvement
of facilities in building brain
of spirit - here & are in
~~human~~ ~~humanitarian~~ work

research is, finding out what
conditions are ~~best~~
woman are understanding
that they must know -
Helen Munn just in now
asking herself her work on
irrigation, sense, involvement
devotion, enthusiasm - emotion
she shows - young woman could
not be found to do what she
has done. - Investigation then
are coming in - intelligence in
humanitarian problem

The World substituting

him got to have nice & corruption & disease
& excited unending pains - victims
non producing ~~the~~ people to keep
down the world as it is -

It is not interesting by the way to
because of the actual production of
the reflection - the close relation
the enjoyment of beauty etc which
is in his life but because
no things - easy - indorse it
as spiteful ^{purpose} activities.

Consider a small corner
the ^{U.S.} earth anywhere - & let us
see what can be made of it:

As human as individuals factory

Do not find it interesting - not because
they have not learned to depend on their own
resources - rather, learned that the
only great & satisfying joy is self development
cannot separate themselves - walk about - draw
shelter from without - take activity as fruitful.

The anomaly of it - Training themselves into activities
to cure what their present inactivity has caused.

College girls secretly - This effort to
escape - College does not inspire
moral indignation to environment from which
they came -

Great work grows out of the
place where you stand.

To get social ^{secret} experimental start
in seeing & trying to meet an inner
need at life level - There need
exist everywhere - Every woman has
a community of human life which has
her practical life broadened by it:
a refuge of it.

The attempt to live otherwise of part 2
future is one of the most stupid -
Life is ~~only~~ meaning only as a
possession - to be a drop in infinite
unrelated - passing in & out that is
the surest way to defeat life.
