

Grant & Free Tariff.

Messages - p 30. 1st Dec. 1887. revenues too
great & may safely be reduced
mentions both tariff & internal taxation
& wanted to feel -

Richard - that - believed he saw little
need of tariff reform - ~~at~~ continued
against especially treaty with Russia
proposed in Am. - against lower
tariff on Russian hemp which
- tariff was giving us diversified industries
desired not be hastily changed.

salt

to This was a bill for making people pay
rate of one another
and the prop.

In Kassen, was particularly incensed
by the duty on salt - and indeed
nothing more indefensible appeared
in the bill. The great salt corporation
was set up at the moment in the U.S.

at Sayreville Michigan & ^{at} Syracuse N.Y.
Both had been clamoring for more
protection, in the opening of Canada
and this in spite of the fact that
they had since 1842 a protection
of from 100 to 170% of ~~the~~ price
and naturally from everywhere
under this subsidy
