Five Cleveland, 1882.

EL TOVAR, GRAND CANYON, ARIZONA
FRED HARVEY

Doss says (Recy. Speech (2)) "However extreme
our leading opponents of Protection have been
in their earlier career, as on a lower plane of
public life, when they have come to understand
the position of right responsibility & excellence
they have inevitably sought for the means
rather to compromise & modify protection
rather than to intensify it - & that these
natural courses has almost invariably
been reciprocal" et cetera.
