June 24, 1932

Miss Ida M. Tarbell
120 E. 19th Street
New York City

Dear Miss Tarbell:

The copy of your new book which you were so kind as to send Dr. Whitney came through promptly, and he is going to enjoy it just as soon as his physician lifts the bars which keep out anything which would rouse thoughts of General Electric or of business of any kind. In the meantime, the pleasure of a better acquaintance with Mr. Young has been mine, and I am grateful to you for it.

Yours sincerely,

Mary Christie
