MISS IDA M. TARBELL,
120 East 19th Street,
New York, N. Y.

Dear Miss Tarbell:

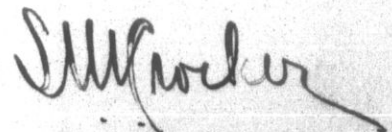

I may be quite wrong, but my recollection is that you did not mention - nor did I to you - that there was a Japanese delegation headed by Sir Kengo Mori, of which Mr. Saburo Sonoda was second delegate on the Young Committee. I think you mentioned the Belgian, French, English, Italian and United States delegations, but made no reference to the fact that there was a Japanese delegation.

Please do not bother to acknowledge this note.

I certainly hope I did not tire you out too much the other afternoon.

Very sincerely yours,

SMC:EW
