EDITOR'S OFFICE

Dear Miss Tarbell:

Here are the proofs of the Young article. I have been pretty well tied up myself and haven't had a chance to read the article as edited by our young men, but plan to do so to-night if the radio and other menaces to peaceful thought let me. In the meantime, I am rushing the proofs out to you. Will you let me have them back as soon as you can?

Sincerely,

Summer Blossom
