

June 26, 1931

Dear Mr. Puffer:

Forgive me for having neglected to return the sketch of Dr. Lee when I did the book. It is going to you by todays mail with my gratitude for your kindness in letting me see it. I can believe what you say that he was a good and noble man.

With appreciation of your kindness,
believe me

Very sincerely yours

Mr. George L. Puffer
Rensselaer Falls, New York
