Dear Mr. Puffer:

I hope you will forgive the delay in replying to your letter written when I was in Canton but not received by me until after I returned to New York.

It is pleasant to have this fine tribute of yours to Dr. Lee and his family. I gathered from his ~~dear friend in Canton~~, Mrs. Whitman who I had the pleasure of seeing at Van Hornesville at the time of Mrs. Ida Young's funeral, something of the quality of the man and of his family. But your letter is good to have and I am placing it with my notes.

As to letting me see the book which he wrote, of course I should be glad to see it if you care to send it.

Thanking you for your letter, believe me

Very sincerely yours

*daughter*
