Dear Miss Chandler:

I am sending down Mr. Crocker's two volumes on the Dawes Committee. I will explain to Mr. Crocker when I see him, as I hope to see, just what use I have made of his material.

There are certain illustrations that I would like to get for use in the book:-

Page 35 A - Mr. Young, Gen. Dawes, Mr. Robinson
(group)

Page 45 - Dawes Cartoon
" 46 A - At work in the Nursery
" 82 A - An Informal Conference at the Ritz
" 90 - Mr. Young in action (cartoon)

Some little time ago I suggested to Macmillan, my publisher, that you might be able to furnish them a collection of photographs from which they could choose illustrations. Did they go to you? The editor with whom I have had my dealing has just gone off to Europe and I have been able to find out as yet just what happened, if anything.

Very sincerely

W. L. S.
