Dear Miss Chandlers

Thank you for your prompt attention
to my request for pictures.

I must get into Macmillan's next week
the materials from which they are to make their selection
for the book. Below is a list which I shall be grateful
if you can fill out:-

Portrait of Mrs. Ida Young
Owen D. Young in Thirteenth year
Owen D. Young in 1890
Portrait of Dr. Harvey
St. Lawrence:-
Original University Building
Gunnison Memorial Chapel
Charles E. Coffin in 1912
E. W. Rice - 1912
Dr. Whitney - recent
Mr. Swope - recent

In addition to above I should like the
latest pictures from Van Hornesville. There must be some-
thing good from the Van Hornesville commencement last
summer of Mr. Young and Mr. Roosevelt.

I have nothing from the Young Plan Commission
of 1929. I should like to see what you have. Also Madam Curie
and Mr. Young at St. Lawrence, particularly the one of
Mr. Young arranging Madam Curie's mortar board.

Very sincerely yours

Miss Gertrude Chandler
