Miss Gertrude Chandler
General Electric
120 Broadway
New York City

Dear Miss Chandler:

Miss Tarbell will appreciate it very much if you will send her a copy of the letter that Mr. Young wrote in response to a Southern editor offering his support to promote Mr. Young's supposed Presidential aspirations. Reference is made to the letter on the editorial page of The New York Times of November 13th, under the head of "Truth in Politics."

Yours very truly

Secretary to Miss Tarbell
