Dean Jane Louise Jones
Dean of Women
St. Lawrence University
Canton, New York

Dear Dean Jones:

It was very good of you to write me so kind a welcome to St. Lawrence. I appreciate the hospitality you are offering me at Dean-Eton Hall. I know I shall enjoy my days there.

I have just written Mr. Ellsworth that I am expecting to arrive at 9:16 Standard Time, Sunday morning, the sixteenth. It is pleasant to know that you will be at the dormitory to meet me. I am looking forward with much pleasure to seeing St. Lawrence and meeting its people.

Very sincerely yours
