

April 13, 1932

Mr. John P. Wright  
Tyler, Eames, Wright & Hooper  
Ames Building  
Boston, Mass.

Dear Mr. Wright:

When I had the pleasure of seeing you in Boston we talked of the failure of the Saegel Company. What I want is the exact title of the firm and the year of the failure. As I have it in my notes it reads - Henry Saegel & Company. The date I have is 1910. I shall appreciate your putting me right in the matter.

I am making only the barest allusion - naming it as one of the important re-organizations in which Mr. Young had a leading part.

I hope you are all well at the office and that whatever re-organization Mr. Tyler's death made imperative has not been too trying.

Very sincerely yours
