Dear Mr. Crocker:

May I trouble you to suggest a title for the enclosed cartoon? I am not sure that the one I have written is as good as it should be. When were you together in this little informal fashion? Was it over your coffee? Over your tea? Probably "Bathhouse" would be better than "En famille."

Is a credit necessary, if so how would you like it made?

I have just learned that Macmillans will not bring the book out until June although they had already announced it for April.

I hope you will forgive me for troubling you again. You have been very kind.

Very sincerely yours

P.S. Was it Grassemen or Grasseman?
