Letter: Ida M. Tarbell to Wallace H. Gibson, November 10, 1932
November 10, 1932

Dear Mr. Gibson:

Some days ago you were good enough to write me calling my attention to an incorrect statement on Page 16 of my sketch of Owen D. Young.

It is always a mystery to me why any such obvious error gets by proof readers and author, but this did and I am grateful to you for calling my attention to it.

I am grateful, too, that you think the work well done and am willing to say so.

Very sincerely yours

Mr. Wallace H. Gibson
