

120 BROADWAY NEW YORK
ROOM 2555

May 31, 1932.

My dear Miss Tarbell:

I should be very glad to sit down with you and tell you about the reorganization of the Federation Bank & Trust Company, although I very much ^{doubt} if Mr. Young would want any personal publicity about it.

At the moment Mr. Young is pretty well swamped with the work of the new committee of twelve, but I know he will want to send you his own acknowledgment of the copy of the book which you sent him.

Faithfully yours,

Ernest Case
