

GENERAL ELECTRIC COMPANY  
120 BROADWAY, NEW YORK

OFFICE OF THE  
CHAIRMAN OF THE BOARD

October 27, 1950.

Dear Miss Tarbell:

Miss Josephine Young tells me that she expects to be out of town over the election day week-end, and wonders whether it would be equally convenient for you if she met with you some day later in the week. She would be delighted to make any appointment after election day which is convenient to you.

Sincerely yours,

*Ernest Case*
