Dear Miss Tarbell,

Not having heard further from you since our conference on Mr. Owen D. Young, I do not know whether you have decided that there is no opportunity for me to work with you on this matter or whether you have been too busy to go into the matter at this time. A further thought occurred to me that you might have lost my address and been unable to communicate with me. Please do not go to the trouble of answering this letter unless there is something further of interest to me, as I know you are very busy.

Very truly yours,
