

GENERAL ELECTRIC COMPANY
120 BROADWAY, NEW YORK

OFFICE OF THE
CHAIRMAN OF THE BOARD

December 27, 1930

My dear Miss Tarbell:

Apparently I made a mistake.

It was the "Chalked Hat" message, not "Custer's
Last Message" that was to be used for the Test
Men's Dinner. I hope to get more information
about the message itself but am not sure that I
can.

Sincerely yours,

Miss Ida M. Tarbell,
120 East 19th Street,
New York City.
