

GENERAL ELECTRIC COMPANY
120 BROADWAY, NEW YORK

OFFICE OF THE
CHAIRMAN OF THE BOARD

February 26, 1932

Miss Ida M. Tarbell,
120 East 19th Street,
New York City.

My dear Miss Tarbell:

As soon as I received your letter I put it on Mr. Young's desk. Mr. Case tells me he is going to write Dr. Gaines for permission to use the material that you wish.

I think I can get Mrs. Young's photograph either today or tomorrow.

Permission has come to use Mr. Coffin's picture, and I have an idea that Mr. Hamilton will talk with you about it this morning.

Sincerely yours,

Gertrude Chandler
