OFFICE OF THE
CHAIRMAN OF THE BOARD

March 21, 1932

Miss Ida M. Tarbell,
120 East 19th Street,
New York City.

Dear Miss Tarbell:

The copybook discloses the following:

" Whether the United States will join the League of Nations or the International Court, that is these man-made institutions, is a question which the people, acting thru a not over-wise Senate may decide but whether United States will sit in the court of great economic movements throughout the world is not a question which the Senate, or even all of our people combined can decide. We are there, and being there, inescapably there, we must meet our problems and responsibilities with wisdom, courage and conscience."

Sincerely,

Gertrude Chandler
