GUAHOOHE'S RESOLUTION ON "COLLECTIVE BARGAINING"

OCTOBER 16th——Page 463

"The right of wage earners to organize in trade and labor unions, to bargain collectively, to be represented by representatives of their own choosing in negotiations and adjustments with employers, and in respect to wages, hours of labor and rules and conditions of employment, is recognized.

"This must not be understood as limiting the right of any wage earner to refrain from joining any organization or to deal directly with his employer if he so chooses."
