Batta Maine 1029

Recent industrial tendencies.

Tulsa in action as well as in trouble. A people up to the millennium. Tulsa trouble in full swing. B.B., challenged - intided a few me up tale - until I made diagnosis of "alpinism.

B.B. cured by need of services but I alreid quickly. Reved to find 2 my talking on Dr. Relation. Want over such misunderstanding.

No argument to pose cannot deny it as a subject for discussion.
Trend of public interest: precisely like we think is.

Identify I on family. If matter concerning their management of the.

Mailed business, could have any one in order.

supplied in what our current—prizes of fair—

Talley—a man is.

It was our own business to sell ourselves. Know it was

Possess my small

As business grew in.
The only real hope lies in our
calling the bluff of the

Munich agreement, in the
genuis elements in solidarity.

The appeased border has
a feeble, sleepy, silent world
full of antithesis, lunatic fictions.-

I am a small minder

in the danger there in slumber,
self-ruiny (in fool) and the freight the tenderer,
even the movements (but, tend) knew the feel
behind them. e.g., things
which gave them birth.

In going what I propose
in an informal will have

evidence as I see here at the present moment.

My only classic to speak of these things is that of a city in whose

swourmet run the
Many years have passed since my attention to the effects of 20 years ago.

In the meantime, all the effects have increased.

20 years ago -
