Dear Madam:-

Re: Mrs. Agnes Chambers,
Lot 8, Block 46,
Hollywood Hills.

This acknowledges receipt of yours of May 10th and wish to advise that, if you will advise us the name of the bank with which Mrs. Chambers does her banking business, also whether, or not, her husband is living and, if so, his given name, we will forward to that bank a Letter of Credit to be delivered to Mrs. Chambers upon receipt of proper quit-Claim in which she and her husband quit-claim their interests to this company.

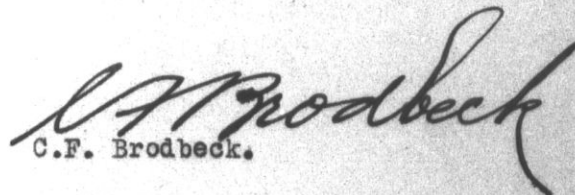

We wish to further advise that we cannot extend this same proposition to other clients for it is obvious that our income is automatically stopped on this purchase and on any other purchase where we would proceed in a similar nature.

It is furthermore obvious that, in the event our income should be stopped or even seriously curtailed, the Letters of Credit we have issued would be of no value to their holders.

Very truly yours,

HOME SEEKERS REALTY COMPANY.
