Dear Sirs:

Can you send me a copy of House Document No. 1252,  
62d Congress, 3rd session? Also can you get for me circular  
No. 34 of the Economy Commission, a document sent to Congress  
by the Taft commission, but not appearing as a public docu-  
ment? I want also a copy of the last Congressional Dir-  
ectory.

If you will let me know what the price is, I will  
forward it immediately.

Very truly yours,

*Idell Stuebel*
