Dear Mr. Cooke:

Indeed the Naumkeag plan does interest me enough to want to see it in operation. I have had that in mind for a long time. I could go up for June 12th and 13th. To whom should I write to make sure that I see the inside of things? Is it possible that by any good chance you, yourself, are going to be there?

Very sincerely

Mr. Morris L. Cooke
1520 Locust Street
