

*File Naumkeag  
folder*

May 11, 1931

Dear Mr. Cooke:

Indeed the Naumkeag plan does interest me enough to want to see it in operation. I have had that in mind for a long time. I could go up for June 12th and 13th. To whom should I write to make sure that I see the inside of things? Is it possible that by any good chance you, yourself, are going to be there?

Very sincerely

Mr. Morris L. Cooke  
1520 Locust Street  
Philadelphia, Pa.
