Miss Ida Tarbell,
Bethel, Conn.

Dear Miss Tarbell:

Here I am again and was greeted at the dock by our kind Mrs. Raiola who took me off to the National Arts Club and insisted that I was to be your guest and hers while there, but this is more than I can allow you to do for me. I am enjoying the hospitality of the Club very much and I am most grateful to you for securing me the privilege of membership.

I shall certainly hope to see you before leaving for Italy which I expect to do early in August if not sooner.

I know that this is no time for lectures but shall probably be going to see some people for whom friends have given me introduction round and about Boston and while in that part of the world I hope that I may be able to see you if you are not coming to New York in the summer months. I shall be back in New York on the 17th and will keep you in touch with possible developments of my plans.

With cordial good wishes,

Yours very sincerely,

Olivia Rossetti Agresti
