Chicago, Ill.

My dear Mr. McCartney:

Thank you heartily for your letter of August 19 and the copy of your "voluntary" brief in the United States Steel Corporation case. I have not had a chance to read it yet. I only wish I had had it a little earlier for I have done with my article on that phase of the matter. However, I shall read it immediately. This is simply to acknowledge your letter and the enclosure.

Sincerely yours,
