

Wisen at the Peace Conference

Sent to him - "What is he doing there.
A large & beautifully formed -
not a fair type -

for she said to me later -
"It's kinder sad ain't it?"

Resentment - of W. the man &
utter abysmal failure to sense the
occasion - the utter failure of it

now

The only appearance - correspondence

beats - why why - ~~the~~ it came in
the end of 2 from start to finish
was the only thing that broke the
control -
