

THE EMPORIA GAZETTE

W. A. WHITE, EDITOR AND OWNER
W. E. HUGHES, MANAGER
EMPORIA, KANSAS

November 16, 1928.

Dear Ida M.:

You say my book will ~~be~~^{be} light, if not
sweetness on your task.

Sweetness, dearly beloved, saccharine
multiplied by glucose, rolled in powdered sugar is
what that book haint got anything else but.

I took out all the sweet words there were
in the dictionary to write that book.

Why don't you come over across Iowa and
Missouri and visit us? Sally is as anxious as I am
to see you.

Sincerely yours,

Will
