My dear Dr. Warren:

I want to thank you for Number 129 of Lincoln Lore - not that I do not thank you for all of them - but this one is particularly useful to me. I did not know that the list of books borrowed for the White House in Lincoln's time had ever been made out. Did the idea originate with Judge Horner?

And to show my appreciation I am going to ask you to send me another copy.

I am going to see you one of these days and talk Lincoln collections and how in the world I can get some money to do a lot of things that I want to do for the Allegheny Lincoln corner.

With all good wishes

Very sincerely yours

Dr. Louis A. Warren
