Dean Oling Templin,
U. S. Food Administration,
Collegiate Section,
Washington, D. C.

My dear Dean Templin:-

Thank you very much for your letter. I shall count on your letting me know when you have the outlines of the food courses ready to put in the hands of our State Chairman. I want very much that they should see what a serious piece of work this is and should do everything that they can to further the efforts of the Collegiate Section.

I am expecting to be in Washington within a short time and hope to see you.

Very sincerely,

D.C.
