WIN THAT GAME!

THE CAMPUS

OF ALLEGHENY COLLEGE

WIN THAT GAME!

VOL. XLIX, NO. 6. MEADVILLE, PENNSYLVANIA OCTOBER 29, 1930.

MONSIEUR PIERRE DE LANUX TO VISIT HERE

NOTED FRENCH POLITICIAN TO DELIVER ADDRESS ON MONDAY

An additional feature of Homecoming at Allegheny will be the visit of Monsieur Pierre de Lanux, who will arrive on Saturday and remain for a chapel address on Monday.

Monsieur de Lanux is one of the charming and brilliant young men who give a characteristic flavor to French journalism and politics. He saw service in the World War both on the fighting front and in the diplomatic sector. At the Peace Conference he served on the staff of Andre Tardieu, the present head of the French government. Since 1924 he had been head of the Paris Information Office of the League of Nations. Despite his political work he has written extensively in the several languages of which he is master. He has done some excellent work in translating from the German and English languages and has published several books of his own upon international problems and upon Franco-American relations. His biography of Henry IV, that most brilliant of the Bourbons who held "Paris to be well worth a mass" was regarded in Paris as one of the most brilliant books published there in 1927.

This is Monsieur de Lanux' second great lecture tour in the United States, and Allegheny may congratulate herself that, through the help of the Carnegie Endowment for World Peace, students and faculty may have an opportunity to meet and to hear such a representative of the French aristocratic and intellectual group. Monsieur de Lanux is the guest of the History and Political Science Club, a member of the group of International Relations Clubs sponsored by the Carnegie Endowment.

Allegheny College Club of Pittsburgh Meets Semi-Monthly

The Allegheny College Club of Pittsburgh has again resumed its semi-monthly luncheons, meeting on the second and fourth Wednesdays of each month at 12:15 in Gimbel's dining room. The attendance at the past two luncheons has included Judge Thomas Prather, Gerald Prather, Robert Pratt, Dr. Wilson Flint, Samuel Alter, Everett Kunselman, Theodore Seidle, Ralph Demmler, John Gordon, Alfred Palmer, Alexander Hill, Robert Ingram, Dr. Edwin Flint and David Behrhorst.

The possibility of a Fall Dance or some other type of Fall reunion meeting has been discussed. But since there are no Allegheny football games in the Pittsburgh district this year to attract the undergraduates as well as the graduate body most of the suggestions have been discarded as not financially feasible. However, the idea of a Fall reunion has not yet been definitely passed up.

All Pittsburgh alumni and ex-students are invited to attend the "round-table" luncheon meetings at Gimbel's. Be sure to mark the next two dates, November 12th and November 26th, on your calendar and make it a point to get around to renew old friendships.

Community College Is Organized at Stone Church Wednesday

Under the personal direction of Dr. G. S. Lackland the Community College held its first session of the season at 7:15 Wednesday evening, October 22, in Thoburn Chapel. On the staff of the college are several Allegheny teachers who have offered their services.

Dr. J. R. Schultz, Professor of Literature at Allegheny College, will offer a course in English Literature. During the Fall term he will discuss the outstanding English writers, and during the Spring term will discuss the great American writers.

Dr. G. S. Lackland will teach a course in Psychology, discussing "Ourselves—A Psychology for Normal People", by Dr. Harry Overstreet. Dr. Lackland, who is a speaker of note, should prove very interesting.

Professor H. T. Lavely will present a course in "The Method of Devotion". This course will be of interest to both parents and Sunday School teachers.

Professor A. R. Colley, of the Bible department of Allegheny College, will present a course in "Old Testament".

Miss Ruth L. Underwood will offer "The Christian Message and Programme".

These last three courses will enable Sunday School teachers to secure Standard Teacher credit. The courses are open to any one wishing to take them and it is hoped that many Allegheny students will take advantage of this means of furthering their education and study in these particular subjects.

"A Night At An Inn" To Be Presented By Student Playshop

Final arrangements have been made for the part that the Student Playshop is to have in the Homecoming program to be held on November first. Lord Dunsany's one-act play "A Night at an Inn" is the play to be presented for the returning alumni at eleven o'clock Homecoming Day. This presentation is for alumni, only,, who may secure tickets free of charge from Miss Mina French at the Alumni office in Bentley Hall.

The second performance of this delightful play will be given for the students on Monday, November 3, at 8:30 p. m. All seats will be reserved although there will be no charge for admission. The Playshop box-office will be open from 2 to 5 p. m. on Friday afternoon October 31 when the students who wish to see the play may procure their tickets. If there is a sufficient number of students who wish to see this production there may be a second show scheduled for another day in the week in order that the Playshop Theatre will not be overcrowded. Since the only effort needed to attend the play will be that one secure his ticket at the box office it is hoped that a large group of students will show their interest in seeing worth-while stage performances. Since the play is in one act, it takes only one hour to present it. The Women's Clubs of Meadville will have the privilege of seeing the play on November 4.

To all those who have followed the work of the Playshop this play will have a real appeal for no effort is being spared to make it a true success. Mr. Boettcher is handling the lighting and scenery and those who remember his work in "Dear Brutus" and "Much Ado About Nothing" know that it will be the finest that can be had at Allegheny.

The cast which has spent a great deal of time and effort under the able direction of Miss Alice Huntingdon Spalding consists of the following students:

A. E. Scott-Fortesque (The Toff) ..... John Walton
William Jones (Billy) ..... Will Roos
Albert Thomas ..... Bramer Carlson
Jacob Smith ..... Robert Bender
First Priest of Klesh ..... Paul Blair
Second Priest of Klesh ..... Charles Stanton
Third Priest of Klesh ..... William Guenon
Klesh ..... Thomas Mansell

COMMITTEE WORKING ON PLANS FOR COUNCIL

ATTEMPT IS MADE TO START INTERFRATERNITY COUNCIL AT ALLEGHENY

Plans initiated last spring for the formation of an Inter-Fraternity Council on the campus have at last recorded definite progress, with the drafting of a constitution for the organization. The committee of adoption, composed of one representative from each of the eight social fraternities, has thus brought to fruition the efforts of a similar committee which considered the problem last year.

The proposed constitution provides that each Greek group select two fully authorized members—probably juniors and seniors only—to represent it on the Council, which, as a body, will exert complete control over all interfraternity affairs. The purposes of the contemplated organization are stated more at length in the constitution:

"To represent the interests of the fraternity group members on the college campus; to mutually benefit each of its members by cooperative study and discussion of various problems confronting the fraternity groups represented on the college campus; to regulate and sponsor all interfraternity activities, social, athletic, scholastic, etc.; to assist both in an active and advisory capacity with respect to college and fraternity affairs."

Following discussion among the individual committeemen and the various fraternity groups, a meeting last week of the eight representatives subjected the draft to several minor changes. The next step toward final adoption of the plan for inter-Greek government is approval by the national organization, the Inter-Fraternity Conference, New York City. Accepted there, and ratified by the faculty and fraternities, the scheme will become effective.

The temporary committee presenting the project consists of: Robert Bates, representative of Omicron Delta Kappa, chairman, George Minch, Kenneth Showers, Arthur Keltz, John Knapp, Harry Rasel, John Coffin, Harrington Smith, and Irwin Winters.

NOTICE!

All eleven o'clock classes will be dismissed on Homecoming Day, November 1.

ALLEGHENY GRIDDERS SWAMP ADRIAN AGGREGATION, 31-0

Saturday's Game Marks Fourth Consecutive Victory for Alligators; Now Tri-State Leaders.

Completely outclassing their opponents, the Allegheny Alligators defeated Adrian College of Michigan 31-0 at Montgomery Field Saturday, October 25. The game viewed from any angle cannot help but give Allegheny the big edge. They outgeneraled and outfootballed the Big Orange squad. As can be expected when the score was large, Coach Crum used practically every man on the bench, and the second squad was responsible for a couple of the touchdowns.

The big credit however for the victory Saturday goes to Captain Garbark. He literally tore the Adrian team to pieces, going around end for consistently big gains, and on one occasion ran 93 yards for a touchdown. Saturday, even more so than in the other games, Garbark was unstoppable, gaining almost every time he carried the ball. His passing also featured not only in a touchdown, but in numerous long gains. Smith, sent in as a substitute, came through in fine shape with his ball carying and passing, and was responsible for a few scores in the later half. But it is almost impossible to say who of rest of the squad was doing the best work. Everybody was "in there" all the time fighting the Adrian team for every yard.

Allegheny's attack was not as versatile as usual. The attack was consigned to merely a few plays, and these, along with the passing, were enough to turn back Adrian. Adrian was stopped dead on the line of scrimmage time after time, and then would have to resort either to a punt or a pass. However, they did have good passing, and although the majority of the tries were grounded most of the territory covered by the Orange was by the aerial route. The boys who featured most of the Adrian play were McGreevy, Miller and Reed. Of those three players probably McGreevy was the one who stood out, he breaking up a good many of the runs for Allegheny.

Allegheny's scores came as a result of straight football, and they deserve credit for every one However the 'Gators fell down on their extra points, making only one out of five chances. Garbark featured in three of the five touchdowns, his 95 yard run, a line buck and a nice pass to Horn were responsible for 18 points. He also kicked the one extra point that was made during the day. The other two touchdowns were made by Ungermann and Smith, Ungermann going through the center for his and Smith around end for his part of the day's scoring.

An account of the game play by play follows:

Adrian kicked off to Allegheny's 15 yard line from where it was returned to the 24 yard line. Garbark went around end for a yard, Varano picked up four off tackle, and Anderson kicked to Adrian's 40 yard line. McGreevy was good for a yard through center, Miller, however, lost a couple, and Adrian was penalized 15 yards for roughness. With the ball on their own 20 Adrian kicked to the 47 yard line. Garbark was good for 7 yards, seven more on the next play, and then carried the ball to Adrian's 29. After carrying the ball out of bounds for one yard, Garbark made 4 yards, and Allegheny lost the ball on downs. Adrian kicked, the ball rolling past the safety man and stopping on Allegheny's five yard line. Allegheny made their first score of the day when Garbark, tearing through the entire Adrian team for 95 yards, made a touchdown, but no extra point.

Knapp kicked to the 15, and McGreevy brought it back to the 36 yard line. A pass was good for 7 yards; Allegheny was penalized for being offside. A pass, Reed to Miller, put the ball on Allegheny's 34. A pass was incomplete. Allegheny intercepted a lateral on the 39. A penalty for offside put the ball on the 34. Garbark made 2, but offside penalty put it back to the 31. Anderson punted to the Adrian 30, and Miller returned it to the 41. Two yards through center was the first play, 4 on the next, and McGreevy carrid a pass to Allegheny's 41. The play was ruled out so Adrian punted to Allegheny's 30 and no gain. Garbark took the ball to Adrian's 49, but Allegheny was penalized 15 yards. Anderson passed to Varano, the ball rested on Adrian's 49. Garbark carried it to the 31, and Adrian was penalized 15 yards. however Allegheny was also penalized, and the ball was put back to Adrian's 37. Pass, Garbark to Varano, was good for 11 yards; a pass was incomplete, and Garbark went around end for 5 yards as the quarter ended.

Allegheny lost a beautiful chance to score when Adrian held at the beginning of the second quarter. With the ball on the 21 yard line, Anderson passed to Garbark who was downed on the 2 yard line. Varano made a yard, but Allegheny was offside and was penalized 5 yards. One yard was made around end, but on next play Anderson lost 3. A pass was incom-

(Continued on page 4)

Twenty-one Men Out For Freshman Inter-Collegiate Debating

Twenty-one men have reported for this year's freshman debating team, and under the tutelage of Howard Plate of the varsity, are meeting regularly. For the first two weeks the squad has elected to discuss the principles of forensics; and later, following a three-minute try-out speech, ten or twelve members of the group will be selected to work towards some intercollegiate debate.

The class will probably use the same question as that of the English Language 4-A and 4-B groups, as follows: "Resolved: that the states should adopt a system of compulsory unemployment insurance". Those boys actually participating in a debate will receive one hour's credit toward graduation, and also the key adopted last season in recognition of the yearling speakers.

The first freshman debating team was organized last year under the direction of Mr. Hurst Anderson and after preliminary trials, set to work simultaneously with the varsity squad on the question: "Resolved: that the policy to provide a liberal arts college education to all high school graduates who seek it, is unsound". A dual debate with the Thiel freshmen resulted in a draw, Allegheny's negative losing at Greenville, and the affirmative triumphing decisicely in Ford Chapel the next week. Credit awards and keys went to eight men, several of whom are now prominent candidates for this year's varsity team.

The personnel of the freshman squad at the present time is: Cecil Bartholomew, Manson Brown, Robert Cole, Arthur Crawford, Paul Grant, Ronald Gregg, Frank Helfrich, Paul Hinchberger, Kenneth Johnson, George Maynard, Donald Murray, William Olson, Robert Palmer, John Pinar, Ardell Shindledecker, William Snair, Glen Stoops, Paul Teaman, Harry Thomas, William Unverzagt, and William Woodward.

Liberal Club Meets Friday Afternoon to Organize for Year

An organization meeting of the Liberal club will be held Friday afternoon at four o'clock in the Quill Club room. The object of the meeting is to acquaint students with the work and aims of the club, as well as to invite new members into the group.

The Liberal club, one of the younger organizations of Allegheny College, was formed only last March by Mr. Paul Porter, field-secretary of the League for Industrial Democracy, when he visited Allegheny during a speaking tour of Western colleges. Many of its meetings last year were devoted to the laying of foundations for a permanent organization and to group discussions of leading problems of the times.

For the present school-year, however, many interestingly instructive programs have been planned and arranged for. According to these plans, prominent questions are to be discussed pro and con, with one side being presented first and the opposing view at a later time. Discussion of these problems will be led by speakers who are experts in and adherents to the causes which they will present. In this way, it will be possible for students to get first-hand information from authoritative persons. It is also expected that several nationally-known speakers will address the club at different times during the year.

Membership in the club is unlimited; students and members of the faculty are cordially invited to join the Liberal club.

Dr. J. R. Schultz, Dean of Men, attended a two day meeting of Deans from various schools held at Oberlin College, Oberlin, Ohio, Monday and Tuesday of this week.

During the meeting many of the questions that confront a Dean were studied and discussed.

Repairs to Chimes Will Be Completed By Homecoming Day

Repairs which have been in progress during the past week on the Crawford chimes located in the tower of Ford Memorial Chapel are nearly finished and the chimes may be ready for use by the time The Campus goes to press. It has been several years since the chimes have been in working order and both the students and residents of the college district are looking forward to hearing them again.

At a meeting of the executive committee of the board of trustees held during the summer it was decided to investigate the amount of repairs necessary to place the chimes in working condition. The matter has been given attention this fall and it was found that only a small amount of work was necessary. Carpenters have been busy repairing the steps leading to the top of the tower and have replaced the rafters in the tower with a wooden floor which will facilitate any necessary adjustments in the future. Electricians also have been occupied replacing defective wiring and repairing the necessary electrical equipment.

It is planned to have the chimes played for the three chapel services held throughout the week and with regular evening chimes each night at six o'clock. It is hoped that several students will offer their services to assist in the playing.

The Crawford chimes were presented to the college in 1919 by the alumni of the college as a tribute to Dr. William H. Crawford, then president of the college, upon his return from Europe where he rendered services during the World War. Andrew A. Culbertson, of Erie, and Dr. Camden N. Coburn, of Meadville, were members of the alumni body largely responsible for the gift.

The chimes are of the tubular type and were manufactured by the J. C. Deagan Bells Company, of Chicago. The chimes themselves have remained in good condition since their installation and with the necessary repair work to be completed soon, the Crawford chimes will again become a part of the college routine.

W. J. MILLARD SPEAKS BEFORE STUDENT BODY

SPEAKER SUGGESTS CITY OR COUNTY MANAGER PLAN OF GOVERNMENT

At the chapel services on Wednesday, October 22, Mr. Walter J. Millard addressed the student body. Mr. Millard is now Executive Secretary of the Proportional Representation League, which has its headquarters in Philadelphia. Although he is at present a resident of Cincinnati, Mr. Millard is a native of Great Britain and a graduate of the Polytechnical Institute of London. His subject in Wednesday's lecture concerned the politics of Representation. He gave challenge to the oncoming administrators and voters to improve certain conditions prevalent in the representative system.

First he outlined the development and growth of the city, noting especially the march of the metropolis beyond its boundaries. This new unit, the outer city, proved to be another problem with which it became necessary to contend. Thus the "ward" came into being. Soon it was discovered that the functions of the civil government were so complex that it was difficult to choose an administration fair to all concerned. It was remembered that the majority should rule, but not that the minority should be heard. However, an even worse situation has now arisen in which the Pressure Group is the only one satisfied. This group is one which swings close elections toward the representative who will grant them certain private privileges decided upon beforehand. It represents a very small percentage of the voters, and foils all the purpose of representative government.

As a remedy for this situation, Mr. Millard offers the City Manager Plan and the County Manager Plan. In these plans he suggests that people be chosen to fill offices for which they have prepared by a study of that particular phase of civil management. He believes that the officers so chosen should retain their positions so long as they satisfactorily meet all requirements. He recommends the substitution of election by unanimous groups for election by geographical districts. According to his plan if one party outnumbers the other five to one, then for every five members of the majority there should be one of the minority, thereby assuring that the people be fairly represented. In this manner the government would be decided not by ethics of conflict, but by ethics of conference.

RULES FOR SPEAKING CONTESTS ARE CHANGED

COMPLETE RULES GOVERNING WAKEFIELD CONTEST ANNOUNCED

To provide a more just and more useful regulation of oratorical contests, the Committee on Debate and Oratory has made certain changes in the rules for both Wakefield and Philo-Franklin speaking tournaments. In the former case, however, alterations affect only the prize-winners, whereas in the latter the Committee has revised the eligibility qualifications.

The Philo-Franklin Oration Contest, to be held this year on April 16, 1931, is open to all freshmen men, and to them only. The authorities have long recognized the necessity of an oratorical event exclusively for first-year men, for these students, barred from the Wakefield meet, have often been shouldered out of a chance to win a Forum prize by last-minute entrance of the participants in the former platform competition.

Two modifications of previous legislation on the spoils of the Wakefield victors also appear in the revised rules. Three cash prizes, instead of two, will be at stake in 1930, with first-place money also increased, form thirty-five to forty dollars. The second change removes the previous automatic right of the winning speaker to represent Allegheny in inter-collegiate rostrum activities, placing the honor on a competitive basis. Thus each of the three Wakefield entrants awarded prize money is eligible for the national tournament at Albion College, next May. The Committee will select from these the man who has developed the best oration by the time of the trip, guaranteeing an alert and thoroughly prepared speaker to maintain the school's prestige abroad.

The complete regulations of the Wakefield Contest:

1. The Wakefield Oration Contest will be held on Thursday, December 4, 1930.
2. The contest is open to the men of the Senior, Junior, and Sophomore classes.
3. A winner of a previous contest is not, for that reason, debarred from competing again.
4. The orations are to be the original work of the students entering the contest.
5. No oration should exceed 1800 words in length.
6. Three typed copies of each oration should be in the hands of the Committee on Debate and Oratory not later than Wednesday, November 26.
7. If more than six orations are submitted, the Committee reserves the right to eliminate all but six. The basis of choice is to be the quality of the written oration.
8. A first prize of $40.00 will be awarded the winner of the contest; a second prize of $15.00 will be awarded the contestant giving the second best oration; a third prize of $10.00 will be awarded the third best oration.
9. The Debate and Oratory Committee will choose Allegheny's representative in the Civic Oratorical Contest from one of the first three orations. This choice will depend upon which of the three prize winners has developed the best oration by the time of the intercollegiate contest, which is to be held Friday, May 8th, at Albion College, Michigan.

Arthur W. Thompson Reported Suffering From Heart Attack

Arthur W. Thompson, chairman of the Board of Trustees is reported to be very ill in the West Penn Hospital in Pittsburgh, and little hope is held for his recovery.

Mr. Thompson had been experiencing ill health for some time and finally was forced to resign from his position as chairman of the board. On October 5, at his hunting lodge in Ligonier, he was seized with a severe heart attack which necessitated his immediate removal to a hospital. However, his heart will not yield to treatment, and physicians are holding little hope for him.

Mr. Thompson attended Allegheny and was a member of the class of 1897. He is affiliated with the Delta Tau Delta fraternity.

KALDRON SCHEDULE

Please note the following schedule for this week and for the week of November 3, during which time the members of the assigned fraternities should arrange to have their pictures taken for the Kaldron insert: This week—Phi Delta Theta, Delta Tau Delta, Alpha Chi Omega, and Kappa Kappa Gamma. Next week (November 3)—Phi Gamma Delta, Phi Kappa Psi, and Kappa Alpha Theta. Notice is also given that all Seniors should have had their pictures taken by the end of next week, so that preliminary work on the Senior section of the yearbook will not be held up.

The Campus

of Allegheny College

Established 1876

Entered as second-class matter, October 30, 1904, at the Postoffice at Meadville, Pa., under the Act of March 3, 1879.

The Campus is forwarded to all subscribers until an explicit order is received for its discontinuance, and all arrearages are paid according to law. Subscribers are requested to inform the manager of any change of address.

Subscriptions $1.50 a year. Single copies 5 cents.

Member of the Intercollegiate Newspaper Association of the Middle Atlantic States.

DOMINATING COLLEGE SPIRIT

In the calendar of every worthwhile college are set aside certain days that aim to perpetuate the best qualities that such institutions of learning produce. Allegheny for this purpose appoints a day each year to be celebrated as "Homecoming Day". It is well that such occasions are held, not only that those who have graduated in previous years may return to revel once more in the spirit of their Alma Mater but that those who are in the midst of their college years may come in contact with those who have helped to make Allegheny famous.

On this Saturday such a day is to be honored. Each student should feel that some part of the day's activities has been assigned to him as a sacred duty to fulfil. It is a habit with many people to let the responsibility of success or failure fall on others to bear, but to a true student of Allegheny such attitudes must be cast aside for those of lesser renown to pick up. Homecoming Day is not an alumni institution, and the great majority of Alumni realize the fact. When they return to Allegheny on Saturday, they will be extremely interested in the Student Body; unconsciously they will compare it to the group that made up Allegheny when they were here; they will be prejudiced, thinking that their Allegheny was better. But ours is not a hopeless task. When the Alumni do come let us show a college spirit such as Allegheny has never seen equaled. Then only will the 1930 Homecoming Day be a success. The Alumni do not expect to see groups of Alleghenians; it is a united Allegheny that they desire. Therefore, let us realize that we have a duty to fulfil.

R. H. I.

A STEP FORWARD

After many stumbles and starts the propagators of the Inter-Fraternity Council seem to have hit the straightaway at full stride: the proposed organization has now a tentative constitution. But (to run this figure into the ground) the race is by no means over. Two hurdles still bar the way.

Before the Council can begin operations the national Inter-Fraternity Conference must approve the constitution; granted this approbation, the new plan has still to dash the gauntlet of the faculty and fraternities to be ratified. It is understood that the former group is solidly backing the students in any steps taken, but acceptance by the fraternities may present a real question. Probably, in its present form, the constitution contains faulty provisions; some perhaps already apparent. Yet the project is a sincere effort to meet an ancient and disagreeable problem, an honest attempt to heal a festering wound that for years has sapped the strength of student morale. If fraternity jealousy prevents adoption of an Inter-Fraternity Council, Allegheny loses one more chance to piece together its eight-way division. In amendment of established confederating articles, not in total rejection of them, lies the way to justice of detail. When this constitution is presented to the Greek groups we shall certainly see whether the school can forget cliques and suspicions and rivalries, just for a moment, and think in terms of Alleghe.

S. F. C., Jr.

ARE YOU BACK OF THEM?

Allegheny's big year has arrived! On Saturday, the football squad kept an enviable record clean by beating Adrian, a fighting team, a worthy opponent. Four teams have fallen before the Allegheny attack, and now our team turns to Grove City for the most important game of the season.

To win this game means a successful season regardless of the results of the remaining encounters. There is no great cause for alarm; Allegheny is capable of winning the game if . . . she is backed by the student body. The football team is a band of fighting men, ready and willing to give their all to beat their greatest rival. To them it means not only glory, but the satisfaction of successful endeavor. All that is left to do is for the men and women of Allegheny College to lose that feeling of sophistication and reserve that has been a part of the college for some time and get out and yell and cheer for **their** team. Are the students a group of mummies or a bunch of spirited rooters? Are they back of the team, wanting them to win, or don't they care? How can the football men know the correct attitude of the students? If they are back of the team, they seldom show such spirit in any manner whatsoever.

It seems as though spirit has been lacking at Allegheny for three years. Never has there been what could be called a really enthusiastic pep-meeting followed by sincere spirit at the game. And this spirit is what will be necessary to turn the tide against Grove City. Our opponents are by no means a weak team. On the contrary, they are one of the strongest aggregations in the Tri-State district. They have shown up to better advantage against some teams than has Allegheny. Therefore, Allegheny will have to play hard football to win. And that will not be enough if the students resort to the clam-method of cheering.

C. C. S.

Alumni Notes

Charlotte Smith, '25, is teaching in the schools of Nutley, New Jersey.

Grace M. Stoke, '26, who last year taught in Reynoldsville, is now at Columbia University, doing work on her master's degree.

F. E. Spaulding, ex-'07, is a finger print expert and lives in Conewango Valley, New York. He writes that he will not be able to return for Homecoming but sends greetings to "all who will have the privilege of meeting on College Hill".

Gertrude Reed, '14, teacher in the Butler High School, while in Europe this summer met Dr. and Mrs. Elliott and their daughter, Ruth, in Florence. It was the occasion for a very delightful evening.

The following announcement recently came to the Alumni Office: "Mr. and Mrs. John A. Carlson announce the marriage of their daughter, Marian Leona, to Mr. Fay Hale Catlin on Saturday, the fourth day of October. Nineteen hundred and thirty. Wesleyville, Pennsylvania. At home after October fifteenth, 38 Gibson Street, North East, Pnnsylvania". Mrs. Catlin was graduated from Allegheny in 1926, and has since been teaching.

Dorothy L. King, '28, who has been at Chambersburg, Pa., in the High School, is now reference librarian in the library of Connecticut Women's College, New London, Connecticut.

The Reverend Louis E. Elbel, '14, is pastor of the Methodist Church in Mount Jewett, going there from Pleasantville, Pa.

James O. Russell, '21, is associate professor of Education at Miami University, Oxford, Ohio. In addition to his teaching he is doing some research work. Glenn Barr, '19, is also a member of Miami University's faculty, in the Spanish Department.

Born, to Mr. and Mrs. Donald J. Hauck, on May 1, 1930, a son, Donald James. Mr. Hauck is a member of the class of 1927, of Alpha Chi Rho and is coach and physical director of the Fairview Boro and Township High School. Mrs. Hauck was Loretta Ott of Meadville.

George S. Criswell, '10, a prominent resident and lawyer of Franklin, Pa., committed suicide on the afternoon of August 20 by shooting himself through the brain at the grave of his father in the Franklin cemetery. Mr. Criswell was born in Franklin on February 6, 1888. After his graduating from Allegheny he was an instructor for a time in the Franklin High School. He read law, was admitted to the Venango County bar and became a leading attorney in his home city. During the past six years he served as city solicitor. Although a member of the First Presbyterian Church, Mr. Criswell had been organist of the Methodist Church for several years. In 1915, Mr. Criswell married Miss Gertrude Heasley, of Franklin, who survives him, together with two children, Gertrude and Dick Another child, Robert, died several years ago and the father never fully recovered from the grief caused by that bereavement. It is thought that grief over the loss of both son and father had unbalanced Mr. Criswell's mind and finally caused him to take his own life.

W. H. Miner, '07, is an instructor in History in Houston (Texas) Junior College. His picture appeared a short time ago in the Cougar, Junior College's student publication. Mr. Miner was in China at one time for several years, doing educational work. He has given lectures on Chinese art in Houston Junior College.

Society

As the end of the fall social season nears, fraternities and sororities are completing plans for the climaxes of the year, the formal Fall Parties. Orchestras are being lined up and many of the more choice dates (referring to the calendar only) have been chosen. Theta Upsilon gave the second sorority dance of the year in Hulings Hall last Saturday evening. Two fraternities entertained during the past week-end, Phi Delta Theta on Friday and Phi Kappa Psi with a Hallowe'en dinner dance on the following evening. This week brings the best of the football dances, the annual Homecoming Dance in the Gymnasium with Kress' Olympians featuring.

ALPHA CHI RHO

Alpha Chi Rho observed Father's Day Saturday, Oct. 25. The fathers attended the Allegheny-Adrian football game in the afternoon. In the evening they were entertained by a banquet at the Kepler Hotel, a theatre party at the Academy, and a smoker at the chapter house. The affair terminated with dinner at noon Sunday.

The fathers present were Messrs. Lawry, MacMillin, Rasel, Okrasinsky, Johnston, Laufenberger, Rex, Hershelman, Rumberger, Macdonald, Grow, McCartney, Mervine, Hill, Bean, Bryan, Hanson, and Maloney. Guests of the fraternity were Mr. Frank Myford and Dr. C. A. Darling.

BETA KAPPA

Beta Kappa held its annual Father's Day Saturday, October 25th. The entertainment consisted of a banquet at the chapter house, a theatre party at the Park theatre, and a smoker. Guests were Messrs. Hartman and son William, H. A. Gerow, Williamson, and Drs. Church and Fairing.

Beta Kappa held a five-couple party at the chapter house Friday, October 24th. Chaperons were Prof. and Mrs. Wagner.

PHI DELTA THETA

Among the attractive parties held this week is listed a chapter party by Phi Delta Theta at the chapter house on the evening of Friday, October 24th. Miss Couch, librarian assistant, chaperoned. Music for the occasion was furnished by the popular Pennsylvania Nighthawks of Sam Campagna and Charles Sullivan. Guests were Miss Gertrude Stein of Warren, Pa., Miss Romola Zeman and Miss Dorothy Ferer, both of Meadville, Miss Grace Jones of New Castle, Drs. Richard and Robert Ellsworth of Meadville, the Messrs. Paul Gibson, '29, of East Fallowfield, Lloyd Sager, ex-'33, Howard Forbes, John Rumsey, Robert Burr, and Ronald Gregg.

PHI KAPPA PSI

Beginning at five o'clock Saturday evening, October 25th, a dinner-dance was held by Phi Kappa Psi at the chapter house. Kress' Olympians furnished the music. Decorations were in keeping with the Hallowe'en season, and dinner was served at tables of four. Chaperons were Coach and Mrs. H. C. Crum. Miss Mary Louise Elder, of Youngstown, Ohio, and Assistant Coach Charles Lopemann were guests.

THETA UPSILON

Eta chapter of Theta Upsilon held a dance for its pledges on last Saturday evening in the Hulings Hall gymnasium. The decorations consisted of novel Hallowe'en motifs, palms, and ferns. Les Daniels and his orchestra furnished the music; Mr. and Mrs. Kenneth P. Williams of Meadville were the chaperone guests.

Son of Ex-President Hixson Is Pursuit Pilot in U. S. Army

Friends of Robert Hixson, son of Dr. Fred W. Hixson, ex-president of Allegheny College, will undoubtedly be interested in reading of this young man's accomplishments since the time of his leaving Meadville. The article appearing below is a reproduction of an article printed in The DePauw, a tri-weekly student publication of DePauw University, of the date October 8th:

Record aerial speed—from Cincinnati, O., to Selfredge Field at Mount Clements, Mich., in two hours and thirty minutes—was achieved last Sunday by Lt. Robert Hixson, '29. Hixson, at present of the United States Army, and less than two years ago student officer in the DePauw military department, piloted one of the seven pursuit plants which made the speed flight.

Lt. Hixson, brother of Prof. Jerome Hixson, of the DePauw English department, is now a member of the First Pursuit group at Selfredge Field.

The seven planes of the pursuit division left Cincinnati late Sunday afternoon. They landed at their own field in Michigan shortly before dark. Such speed is only possible with the fast, one-seated pursuit ships of Hixson's outfit, from Selfredge port.

The pursuit group had been one of the feature attractions at Cincinnati, where a several day air show was being staged at the opening of the city's new municipal airport. The stunting and exhibition flying of the squad furnished the spice of the show. It was the flying of these same machines of the First Pursuit group that delivered most of the thrills at the recent Chicago Air Races.

A short time before the Cincinnati show, Lt. Hixson qualified as an expert aerial gunner in a shot at Oscoda, Mich. His firing score totaled 1028 points, although only 788 points are required for the qualification.

The flier intends to return to Greencastle on leave of absence about October 11.

HONORARY FRATERNITY INITIATES NINE MEN

Nine new members were initiated last night into the History and Political Science Club. The ceremonies took place at the Phf Delta Theta fraternity house, Donald Kent presiding.

Those taken into the membership were Warner White, John Underwood, Donald Monroe, Ruth Farquar, Harold Akins, Robert Burr, Donald Williams, Kenneth Showers, and Roger Johnson.

This club is organized for the purpose of discussing questions concerning the Historical and Political fields and consists of students majoring in these departments. It holds regular meetings, at which questions pertaining to local and international problems are discussed.

Officers of the organization are Donald Kent, president, Pauline Thornton, secretary, and Ruth Shorts, treasurer. Doctor Woodring, Professor McKinley, and Dean Bowie are faculty members.

DR. J. L. ROSS SPEAKS IN CHAPEL ON MONDAY

On Monday, October 27, Dr. Julian L. Ross lectured in Chapel concerning broadmindedness. His address was based upon the story of Oison and Saint Patrick. These two characters represent two different ages striving after the truth; neither had the understanding that would enable him to comprehend the view point of the other. The age of the Finn was one in which feudal and physical development was sought, while the age of Saint Patrick's heraldage was one of mental and spiritual progress.

Through the story of these two men, Dr. Ross proved that only by gaining a varied knowledge may we begin to develop a sympathetic understanding comprehensive of many points of view. To achieve a stage beyond the average it is essentially necessary to cast aside prejudice, and ever strive for more knowledge and experience.

ART ASSOCIATION TO HOLD EXHIBIT MONDAY

At the first meeting of the year of the Meadville Art Association, which will be held in the Art Room of the Public Library on Monday evening, November 3 at eight o'clock, there will be an exhibit of watercolors and etchings from the studio of Mr. Albert Heckman of the artist's colony of Woodstock, N. Y. The speaker of the evening will be Mr. Aime H. Doucette of the Art Department of the Edinboro State Teachers College who will speak on "The Various Processes of Etching". The Art Association ocrdially invites all students to take advantage of the half price membership rate of ing whether they become members and enjoy the monthly meetings of the Art Association. Students and faculty are invited to attend this first meeting whther they become members or not.

NOTED GERMAN READER TO VISIT ALLEGHENY

Herr Max Montor, the versatile eGrman, famous among both Teutonic and English peoples for his masterful portrayals, will appear before the students in the near future. He will give readings in English to the general student body, while those who have a knowledge of the German Language will be entertained with a selected group of readings from Lessing's "Nathan the Wise", in the original tongue.

BOWLING ALLEYS TO BE OPEN WEDNESDAY

Announcement is made to the effect that the college bowling alleys will be opened this week, at 4:00 p. m. on Wednesday. The alleys have been reshellacked, and are said to be in excellent condition. Archie DeSantis and Robert Brakeman are to have charge this year, and will keep the alleys open from four to eight o'clock every afternoon except Saturday, and from one to six o'clock on Saturday afternoons.

Campus Clippings

The campus caretaker of the University of Pittsburgh says that if all the sidewalks of that schools were laid end to end, a concrete ribbon five miles long would be formed. 'Wonder if he ever tried walking up the hill for an eight o'clock after the two minute bell had rung?'

* * *

A Sophomore of the University of Oregon dived into an ice-covered pond from a snow covered bridge for the sum of one dollar and fifty cents. His fraternity brothers, donors of the award, stood on the bank and watched the thermometer register fifteen degrees. What some people won't do for money or a dare!

* * *

Dr. George C. Bellingrath, Columbia University, says that neither fat nor thin girls will ever be leaders in their classes. The leadership doesn't apply to scholarship, but to creative genius and outstanding achievements. A boy, on the other hand, can be a leader, no matter how fat or thin he is, but a girl, to become a leader, must be of medium height and must come from a well-to-do family.

* * *

The latest fad for co-eds at the University of Southern California is turtle racing. The races are run over a hundred-yard track with an hour being a fast time for the race.

* * *

An observation made by Dr. Shirley Wynne, Health Commissioner of the City of New York, is that the people of his city spend more for chewing-gum than they do for health.

* * *

"Albi-Onions" was the unusual name selected by a group of old grads who held a reunion at the Albion College (Michigan) Homecoming on October 24-25. The "Albi-Onions" were organized six years ago with the avowed purpose of keeping alive a "strong sense" of fellowship among themselves and to let their College know of their presence and friendship every few years.

THE favorite—whose flashing hoofs have brought him in ahead so many times! Again he shows his mettle! Again he leads the field.

ONE *will always stand out!*

KEEPING UP THE PACE . . . never letting down . . . that's what wins on the track—and in a cigarette, too.

Chesterfield smokers stick to Chesterfield, because here they find those essentials of true smoking enjoyment which never tire, never vary:

MILDNESS—the wholly natural mildness of tobaccos that are without harshness or bitterness.

BETTER TASTE—such as only a cigarette of wholesome purity and better tobaccos can have.

Allegheny in Athletics

ALLIGATORS TO FACE GROVE CITY SATURDAY

CRIMSONS PRESENT STRONGER OPPOSITION THAN ANY TEAM MET SO FAR

Allegheny is going to take on one tough team when it meets the Grove City Crimson on Homecoming Day next Saturday. An opposition far stronger than anything yet encountered this year will have to be faced when the Blue and Gold attempts to wipe out some entirely too vivid memories of a game last year at the enemy's camp.

To date the Crimson has lost just one game, and that by a margin of just one point to a Geneva team whose followers admit that it was playing considerably beyond its normal ability. Since the very first of the season Grove City has shown outstanding strength. It took its warm-up game with Morris Harvey seriously and ran up a 90-0 score, averaging a touchdown every five minutes of play. The next game was harder—a tough tussel with Saint Francis. Saint Francis possesses a heavy team, and is strong on defense, but was at the time rather weak offensively. Grove City resorted to an aerial attack that scored 21 points in the first half, but was entirely unavailing in the latter half. The Saints were held scoreless.

The next encounter was with John Carroll, of Cleveland. The Crimson in that game was described as a "juggernaut", and a "tractor", ripping holes through Carroll's line almost at will, up to the very shadow of the goal, but seemingly unable to advance further. Twice the Reds plowed their way to the Carroll two-yard line, but on both occasions Carroll held for downs. Grove City's only score came as the result of a 50 yard pass, Pusch to Shupe, and the Crimson had to be content with a 6-0 victory.

Westminster was the next victim. The New Wilmington team had built up a good reputation during the year, and had held Allegheny to 7-6, but was no match for the speed of the Reds. During the first half things were fairly even, but in the last period the Crimson gradually tore apart Westminster's line, and, led by Pusch and Kammerer, went through for a 19-0 decisive victory.

Still Grove City was undefeated, and had an uncrossed goal line. It took Geneva to turn both tricks at once. Last Friday night, as a finale to Geneva's Homecoming Day, the Covenenters spoiled both records by taking over the Crimson 13-12. It was a hard-fought battle all the way. The deciding factor of the game was the line play of Geneva, showing power much greater than anything before revealed during the season, and opening good holes for the Geneva backs. The other surprise of the game was Geneva's power in its aerial attack, which was used to advance the ball to scoring distance. Grove City made one touchdown on straight football, and another on an intercepted lateral pass.

Meanwhile, Allegheny has been winning four games without a loss, conquering Edinboro 21-0, Westminster 7-6, Thiel 6-0, and Adrian 31-0. The most universal feature of all the games has been the balance and cooperation of the Alligator aggregation. Four different offense plans have been used in the four encounters, depending on no one constant power unless it has been good. The team is a fighting team, and plays "heads-up" football. It is a good team, and can be depended upon to use every bit of its power to stop the Crimson.

After its unexpected Geneva setback, Grove City will certainly come to Meadville with a decided determination to win. The Alligators are visibly "pepped up" about the game, and have been ever since the victory over Thiel. Determination will be at least equally great on this side of the line. This is going to be one whale of a game.

Coach C. E. Hammett Expresses Thanks to Students and Faculty

Below is a letter received by the Campus from Coach C. E. Hammett, thanking the students, members of the faculty, and administration of Allegheny College for the radio which was presented to him on October 18:

"Since it is impossible for me to see each one personally, I have asked 'The Campus' for this opportunity to thank the students, faculty and administration for the radio set which they have sent.

"It has given Mrs. Hammett and myself a great deal of pleasure, enabling us to visualize the football games and to follow the educational program which Allegheny has put 'on the air'. We appreciate the set for itself, and we especially appreciate the beautiful thought which prompted you to send it, a thought that is an expression of that fellowship and good will which is so characteristic of Allegheny.

"It is difficult for me to adequately express our appreciation of this nice thing you have done for us.

"CHARLES E. HAMMETT."

This and That

WATCHING THE ENEMY

GENEVA 13—GROVE CITY 12

At last the Crimson meets a defeat, but what a game! Geneva opened up with unexpected power in its line, and an aerial attack that seemed to have the powerful Grovers helpless. The deciding extra-point of the game was a pass, Grahame to Ewing that Ewing was barely able to grab. For more details looks in the Grove City-Allegheny advance over to your left.

NEW RIVER STATE 6—SALEM 0

In spite of twelve first downs to the opposition's two, the Salem Bears were defeated by New River State Normal, of Montgomery, West Virginia, by a score of 6-0. The game was played in a sea of mud.

DARTMOUTH 7—HARVARD 2

It begins to look like Allegheny may have a bit of trouble with the Big Green. The sloppy condition of the field made the game a battle of straight football, with line play predominating, and Dartmouth's great line was the victor. Harvard's two points came as a result of a kick which was blocked by Harding, Harvard end, and which rolled over the end zone.

This column wishes to beg the pardon of its readers, if any, for an error made in the issue of October 8. For that issue Grove City's game was given to us as Grove City 21-St Vincent 0. In collecting material for the advance, we found that Grove City did not play St. Vincent, but defeated St. Francis College by that score.

ADRIAN GAME

(Continued from page 1)

plete, and Adrian had the ball on its own 11. McGreevy was held for no gain, so Adrian punted to the 40, and the ball was returned to the 32. Varano made 5, Anderson 2, and Garbark 2. Varano picked up 4 more, and Anderson was held for no gain. Garbark made a yard. A pass to Brown was good, and the ball was on Adrian's 4 yard line. Varano picked up a yard, Garbark 2, and on the third play Garbark took it over for the touchdown. Varano's try for point failed. Score 12-0.

Knapp kicked to the 30 from where it was returned to Adrian's 39. McGreevy made 2 off tackle, 3 on the next, and a pass was incompleted. Adrian punted to Allegheny's 25, and Smith returned to the 33. Ungermann made a couple, with Smith picking up 4. One yard was through center, and Allegheny punted to Adrian's 25. Adrian made a few yards but it was necessary to punt, and the ball was resting on the 46 as the half ended.

Adrian kicked off to the 10, and Garbark brought it back to the 38. Smith carried it to Adrian's 45, and Garbark was good for 2 yards, but Allegheny was penalized 5 yards. Allegheny was held to no gain on the next few plays, and lost the ball by way of a fumble to Adrian, but Adrian was forced to punt and the ball stayed on the 38. Smith picked up 3, and on the next play Garbark made a beautiful pass to Horn which was good for a touch down. Garbark made the extra point. Score 19-0.

McManus kicked to the 20, and Lancaster ran it back to the 32. A pass was no good, and 4 yards were picked up through center. McGreevy carried the ball to Allegheny's 37. Adrian lost the ball on the Allegheny 37. Garbark made 3 yards. Garbark took it to Adrian's 47. Smith was good for 4 yards, and Berger brought it down to the 36 yard line. Garbark made 1 around end. Allegheny recovered their own fumble. A pass to Fallon was good, and the ball was on Adrian's 24. Smith made 3, Garbark to the 10 yard line, but Allegheny was penalized 15 yards. A pass was intercepted by McGreevy, and he ran it back to his own 25. Adrian was held for no gain and they punted to Allegheny's 45 yard line where it stayed. Garbark lost 3 and Smith went to Adrian's 35 as the quarter ended.

The last quarter started with Smith advancing to the 29 and Berger taking to the 15. Dennison was good for 14 yards, just missing the touchdown, and Ungermann carried it over on the next play. No extra point. Score 25-0.

McManus kicked to the 20 and it was returned to the 32. Two passes were incomplete and Adrian kicked to Allegheny's 40. Smith ran back to own 44. Allegheny was penalized 2? yards and Smith was held for no gain. Adrian suffered a penalty of 15 yards and Dennison took to his own 35 yard line. Dennison again took it to Adrian's 42, and a big run by Smith put the ball on the 15 yard line. Dennison was held for no gain, and the next play, a beautiful run around end by Smith, was good for another 6 points. The extra point failed again. Score 31-0.

Horn kicked to the 15 and it was brought back to the 30. At this time the second squad was playing. A pass was no good, and Adrian punted to Allegheny's 40, and the punt was returned to the 45. Dennison was forced out of bounds on Adrian's 35. No gain for Smith. No gain and an incompleted pass forced Allegheny to punt back of the goal posts; so the ball was put in play on Adrian's 20 yard line. South was held for no gain, and Smith intercepted Reed's pass, taking it to Adrian's 46. Adrian was penalized 5 yards twice for being offside, but they gained possession of the ball. Pass after pass failed, and Adrian kicked to Allegheny's 30, Dennison bringing the punt back 15 yards. Smith made 2, and a pass to Dennison was good for 17 yards, putting the ball on Adrian's 25 yard line. Smith's pass to Fallon was good for 15 yards, the ball resting on the 10 yard line, but here the game ended and Allegheny was denied another touchdown.

DELTA TAU DELTA IS TURKEY RACE WINNER

COACH WAY IS WELL PLEASED WITH STUDENT INTEREST IN THE EVENT

The Turkey Race, the first event on the intramural athletic program, was run on Friday afternoon at 4:30. In spite of the cold weather, a large gallery was present to see Delta Tau Delta win the race and the turkeys. Every fraternity on the hill was represented by at least four men, while several fraternities entered more than the required number, bringing the total to thirty-seven. All the details of the race were well handled by Coach Way, and everything went through without a hitch.

The runners met in the trophy room of the gym at 4:00, where they were given their final instructions. The race started promptly at 4:30. The course led the runners one lap around the track, out the student gate to the pavement, past the tennis courts, then up the hill around the reservoir, through a field, around the school house at the top of the hill, and then back to the gym. The finish line was opposite the tennis court.

The first man to cross the finish line was Collins, a Delt Freshman. He ran the two-mile course in 11:40:5, a fast pace even for the varsity men. The second man was Borrison, Alpha Chi Rho, who was closely followed by Nichols, Phi Gamma Delta; Rumsey, Delta Tau Delta; Boetcker, Beta Upsilon; Duncan, Delta Tau Delta, and J. Williams, Beta Kappa. The rest of the runners were strung out considerably, although there were a few neck and neck sprints at the finish for places among the first twenty men. A few of the contestants could not stand the grind, and were forced to walk part of the way.

Following is a list of the men who participated in the race: for Alpha Chi Rho, Lawry, Borrison, Jeffords and Johnson; for Beta Kappa, Sherey, J. Williams, Vensel, and F. Williams; Beta Upsilon, H. Smith, Parker, Mansell, Boetcker, and Engle; Delta Tau Delta, Collins, Monroe, Leibendorfer, Duncan, Smith, and Rumsey; Phi Delta Theta, D. Smith, Richard Quinn, Robert Quinn, Haberman; Phi Gamma Delta, Green, Kamble, Nichols, Palmer, and Utley; Phi Kappa Psi, Hoffman, Turner, Poole, Smock, and Watterson, and for Sigma Alpha Epsilon, Anderson, Powell, Murray, and Johnson.

The scoring of the meet was similar to the scoring of a regular cross country meet except for one point. Only the first three men on each team were given places, whereas the first four men on a cross-country team win places. If, for example, the men on one team won first, fourth and sixth places, as did the Delts, their score for the race would be eleven. The team having the lowest score wins the meet.

Th meet was won by the Delts with a score of 11, the B. U. team came second with 29 points, the Sigs scored 38, the Phi Gams scored 43, the B. K.'s had 44, the Chi Rhos had 47, the Phi Delts 60, and the Phi Psis came last with 61. Some of the scores were exceedingly close.

The great popularity of this event will probably assure its becoming an annual event on the intra-mural program. Everyone, both runners and spectators, showed keen interest and real sportsmanship. Coach Way was entirely satisfied with the race, and assured the Delts that the turkeys would be delivered early Saturday morning.

DELTA TAUS LEAD IN INTRAMURAL CONTEST

Drastic changes were made in the standing of the teams in the all-year intramural athletic competition by the order of finish of the Turkey Race last Friday. Delta Tau Delta, adding 150 points in this event by taking first place, put themselves in the lead; Sigma Alpha Epsilon, garnering 90 points for third place maintained their second place in the standing, and Beta Upsilon, capturing 110 points for second place, raised their standing from last to third. The standings on Monday night were as follows:

Delts	210
S A E	170
B U	160
B K	140
A X P	120
Phi Delts	120
Phi Gams	110
Phi Psis	100
Non Frats	50

FINAL ANNOUNCEMENT OF HOMECOMING PLANS

ELABORATE PROGRAM FOR THE DAY IS COMPLETE; DANCE IN EVENING

Arrangements for a very interesting program have been finally completed for Homecoming Day on November 1. The annual football contest beween Allegheny and Grove City will be the big event of the day.

A reception program is scheduled in the morning at Arter Hall followed by a cafeteria luncheon in Cochran Hall at noon. The football game will be played in the afternoon, after which the fraternity alumni dinners will be held. In the evening the Annual Homecoming Day Dance will continue the good times.

The Playshop Program at 11 o'clock is the first scheduled event. The play to be presented by the members of the Student Playshop is Lord Dunsany's "A Night at an Inn". Any play produced under the direction of Miss Alice Huntington Spalding is worthy of the most favorable comment. The Honorable Frank P. Miller, class of '07, will deliver a speech of welcome to the Alumni and the Men's Glee Club will sing a group of college songs. Tickets for this program may be secured at the Alumni office for the asking. These tickets are good only for general admission passes, and are being issued merely to guarantee a seat to those who care to make sure beforehand that they will have a place to sit down during the performance. The program will last for only an hour in order to give ample time for guests to make their way over to Cochran Hall for the next feature of the day.

The luncheon in Cochran Hall is to be served at 12:15 promptly. It will be free of charge, and will be served cafeteria style. The College Guest Book will be in the lobby of the Hall, and all who attend are asked to write their names in it. Meadville Alumni and members of the faculty will be present to welcome the returning guests and to see that everyone gets plenty to eat. All Alumni should inform the Alumni Office if they intend to be present at this affair.

Following the luncheon, the football game with the Crimson team of Grove City will be the outstanding event of the program for the day. This game will start at 2:00 p. m. So far Allegheny has appeared in wonderful form against its opponents, and has safely tucked away four hard-earned victories. It will be interesting for the Alumni to know that Allegheny is the only undefeated team in the Tri-State District. The attending Alumni can look forward anxiously to a thrilling and decisive battle between the two teams.

At six in the evening there will be opportunity for visiting in smaller groups. The fraternal organizations have been askd to cooperate in entertaining their alumni. Each fraternity will be left in charge of its own program.

The Homecoming Day Dance at 8:45 will conclude the day; in the Gymnasium, with Kress' Olympians furnishing the music. Everybody knows how popular they are, and it is expected that a wonderful time will be had. The admission price is only $1.50 per couple.

Alumni should anticipate one of the finest Homecoming celebrations that they could possibly expect, and make sure that they do not miss such a fine occasion.

Cross Country Team Defeated at Geneva By Decisive Score

Allegheny's Cross Country team met defeat at the hands of Geneva's harriers by the score of 22-33 last Friday. According to Captain Rockey the team ran better than it had at any previous meet this year, but the experience of the Covenant outfit, coupled with the difficulty of the Beaver Falls course proved enough to defeat the 'Gators. The Geneva course is a six-mile layout over hilly country and was a severe test for the Allegheny runners, who are used to a four and a half mile run.

Dauthit of Geneva finished first in the time of 29:40, a remarkably fast race. Following him, in order, were Hunter (G) second; Marks (A) third; Worrall (A) fourth. Ish finished sixth, Rockey ninth, and Lockley tenth. All of Allegheny's men finished the long grind, Church, Beiler, and Maloney closely following Lockley.

The next meet is with Westminster, at New Wilmington, on November 8th.

Just Arrived—
