Dear President McClelland:

I have
your invitation to the celebration
of the forty eighth anniversary of
the Lincoln Memorial University. I
am sorry that I cannot be present.

I regret still more
deeply that it is quite out of the
question for me to make the contribution
you ask. My budget, never large, is
already over-balanced with obligations
which I cannot neglect.

All I can send is my
hope that you will find many in better
case than I am to help on your budget.

Very sincerely yours

Stewart W. McClelland
President, Lincoln Memorial University
Harrogate, Tennessee.
