Dear Miss Tarbell:

We are counting on you to write the article on the Berry Schools. We havehad letters from several writers who are willing to get it up but I am holding it back because I want you to do it. Please let me know just what time in April you can be here, as I have a number of engagements to speak and want to make dates so that I can be here when you come.

If you can let me know at the earliest possible moment I will greatly appreciate it.

Yours sincerely,

Martha Berry

Miss Ida M. Tarbell,
