ALLEGHENY WILL BE HOST AT BIG INTER-SCHOLASTIC MEET SATURDAY.

THE CAMPUS
OF ALLEGHENY COLLEGE

STAND BY! 100 PER CENT. SUBSCRIPTIONS FOR THE SECOND CENTURY.

VOLUME NO. XXXIX. NO. 26. MEADVILLE, PA., MAY 11, 1921. PRICE FIVE CENTS

Entire Faculty and Student Body Go Over Top in Campaign

ALLEGHENY DEFEATS GROVE CITY IN OPENER

Flint and Cochran Star in Opening Tennis Tournament Saturday

In the opening match of the season, Allegheny overwhelmingly defeated the Grove City tennis team on the Phi Delta Theta court last Saturday afternoon. At no time were the Blue and Gold racqueters, Flint and Cochran, in danger of losing to their opponents. A high wind was the only weather condition which marred an otherwise ideal day and the tournament was well attended in consideration of the fact that the event was the first sound-off in the inter-collegiate matches.

Morledge, for Grove City, exhibited excellent form and ability in his playing and succeeded in taking the first set from Cochran. He was the outstanding man on the court for the visitors but was unable to gain another set during the match.

Flint and Cochran are the only representatives for the team to date, inasmuch as the eliminations have not been completed owing to weather conditions playing havoc with the courts. The two men are in no sense up to the form which they displayed last year, due to lack of practice and yet the showing made Saturday demonstrated clearly to the fans that they were capable handlers of the racquets.

It is reported that the Phi Kappa Psi court is now in excellent condition and that the Phi Gamma Delta court is undergoing additional repairs which will make the court larger and better than previously.

The summaries for the tournament Saturday are as follows:

Singles

Cochran defeated Morledge 6-8, 6-1, 6-3.

Flint defeated Monroe 6-3, 6-2.

Doubles

Flint and Cochran defeated Morledge and Monroe 6-4, 6-0.

WOOSTER ORATOR WINS NATIONAL ORATORY CONTEST

WINNER OF FOUR CONTESTS WILL BE FORMIDABLE FOE ON W. & J. FLOOR.

As representative from Allegheny, Hugh Buchanan will speak on next Friday evening in the Civic League Oratorical Contest at Washington, Pa. In winning the Wakefield Oratorical Contest last January, Mr. Buchanan also won the honor of representing the college in the annual intercollegiate contest. In addition to Allegheny, W. and J., Wooster, Colgate, Ohio Wesleyan and University of Pittsburgh will send their best orators.

Among these orators, Wooster's man appears to stand out prominently. As winner of the National Oratorical Contest of last Friday, Earl Meadows Dunbar has of late been achieving a nation-wide reputation for a finished style and impressive delivery. Allegheny students will recall him from his participation in the Wooster debate here last year. This year, he contributed largely to the defeat of the team which we sent to Wooster.

As is the custom, Mr. Buchanan will deliver his oration before the student body next Thursday at Chapel. At this time, a chance will be had to listen to a well-developed and forceful appeal to the nation to aid the immigrant in the process of fusion with native-born Americans. "The Crucible" deals with the various harmful forces with which the newcomer to our land meets and a plea for toleration.

Carnegie Tech Humbles Allegheny in Field Meet

Congestion and Heavy Field Prove Too Much for Blue and Gold

By capturing first places in all of the running events, Carnegie Tech, on last Saturday at Schenley Oval, was able to overwhelm Allegheny with a score of eighty-seven to thirty-nine. With no exception, the times of the various events were much faster than those at which the Gold and Blue have been practicing. Tech was able to efface one of its own records when Miller finished the two-miles in ten minutes and seventeen seconds.

In the low hurdles, Bittner equaled the Allegheny record at a flat twenty-seven seconds. Although Crumrine was able to make five feet and three inches count for first place in the high jump, in the broad jump he made better than nineteen feet but was disqualified, and the event went to the Plaid at eighteen-eleven. Allegheny's tally from the pole-vault was two points with Miller tying for second place.

The weights were pretty well Allegheny's with two first, a second and three thirds. Thirty-seven feet, three inches constituted MacGowan's best shot put, while Cunningham threw the hammer an even one hundred and seventeen feet.

The meet was characterized more or less with May showers which stopped activities completely at two different times, and with the hubbub and confusion of three independent meets. In addition to the dual contest, Tech staged an inter-scholastic track and field meet, while at the same time the Pittsburgh Press Association held its annual marathon and bicycle races. As a consequence of running off the dual event following the interscholastic event, the Allegheny men were on the field from twelve-thirty to five o'clock. The following are the results:

100 Yard Dash—Kelly, (T), first; Tallman, (T), second; Lockwood, (T), third. Time—10.

220 Yard Dash—Kelly, (T), first; Lockwood, (T), second; Tallman, (T), third. Time—22.4.

440 Yard Dash—Hiller, (T), first; Brumbaugh, (T), second; Wimmer, (A), third. Time—51.1.

880 Yard Run—Nichol, (T), first; Leet, (T), second; Wimmer, (A), third. Time—2:08.1.

Mile Run—Hiller, (T), first; Dykeman, (T), second; Kirschner, (A), third. Time—4:40.

Two Mile Run—Miller, (T), first; Greenlaw, (T), second; Bacon, (A), third. Time—10:17. (Tech record.)

120 High Hurdles—Bittner, (A), first; Arnold, (T), second; Bender, (A), third. —Time 17.1.

220 Low Hurdles—Bittner, (A), first; Arnold, (T), second; Bender, (A), third. Time—27. (Equals Allegheny record.)

Pole Vault—Tech, first; Miller, (A), and Tech tied for second. Height—11 feet.

High Jump—Crumrine, (A), first; Tech, second; Tech, third. Height—5 feet 3 inches.

Broad Jump—Tech, first; Tech, second; Tech, third. Distance—18.11.

Shot Put—MacGowan, (A), Tech, second; Cunningham, (A), third. Distance—37.3.

Discus Throw—Tech, first; MacGowan, (A), second; Potter, (A), third. Distance—116.

Hammer Throw—Cunningham, (A), first; Tech, second; MacGowan, (A), third. Distance—117.

Totals—Carnegie Tech, 87; Allegheny, 39.

Miss Christine Boggs, '23, visited in Jamestown over the week-end.

Francis Dickson visited friends in Pittsburgh over the week-end.

Unanimous Support Closes Greatest Campaign in Allegheny's History

Although the total amount of the faculty and student body subscriptions could not be made public by the Administration last night, the reports disclose that the campaign went "Over the Top" in support of the greatest campaign ever presented to the students of Allegheny, The Second Century Endowment Campaign. Every fraternity, sorority and group reported 100% in the number subscribing to the fund. The spirit manifested in making the campaign a success was of a calm nature, rather than that which is usually exhibited in similar cases. The burden of the entire work fell upon the different organization committees, who quietly interviewed every one, personally, in the securing of pledges.

A rumor gained momentum last evening that the faculty had over-subscribed the students three to one, but this statement was unofficial when the authorities were questioned.

However, the affair was a success according to Dean Ross, who stated that complete returns would be announced when tabulated.

"You students are going to have a hard time beating us," was the remark of one of the faculty when asked how their subscriptions were coming in for the Second Century Endowment. It is quite apparent that the faculty members will go "over the top" with a surprisingly large subscription list. The very fact that none of the faculty will disclose any information concerning their success indicates that there is a surprise awaiting the students. The faculty members, like the student body, have a systematic method of campaigning. At a meeting of the members, the following committee was appointed: Dr. Elliott, Chairman; Dr. Church, Dr. Darling, Dr. Henke, Dr. Lee, Prof. Ross, and Miss Rowley. The committee has been extending every effort to make the subscriptions representative of the loyal spirit which the faculty has for Allegheny. While the faculty has the disadvantage when compared to the number of the students, yet they are strongly determined to out-shine their friendly opponents in pledging to the Second Century Endowment Fund.

The student body began its part in the Endowment Compaign on Tuesday, May third, one week ago yesterday. Dr. Hancher, Miss Willard, Mr. McClure, Mr. Plumb and Miss Kruse met in consultation on Saturday, May 30, to decide upon the best manner of presenting the campaign needs to the students as a one hundred per cent. subscription was desired. It was decided to take the work up through the fraternities, so representatives from each fraternity and non-fraternity organization were called into consultation on Monday, May 2nd. These representatives heartily approved the plan and voted their hearty co-operation in putting it through. A committee in each fraternity went to work immediately and on Tuesday the drive was started with an enthusiastic meeting in chapel. Dr. Hancher made a very stirring appeal to the students to get behind the campaign and "push" and pointed out that it was not so much the amount that each student pledged as the spirit with which they launched the movement. Miss Willard, the publicity manager, gave a short and very interesting talk on the importance of publicity to the campaign. Mr McCluer then explained how the students were to be reached individually and, a motion adopting a slogan of "100% Efficiency" was passed unanimously.

On Wednesday morning subscription blanks were issued to the committees and work began. Yesterday the campaign was completed and the subscriptions from the entire student body were turned over to President Hixson. The results are an indication that the student body is behind the drive for the million and a quarter dollars to the last man.

20TH CENTURY DISCUSSES POLICIES OF PRESIDENT HARDING.

Twentieth Century Club met Monday evening with, the new President, Martha Schall, in charge. The subject of the evening was "President Harding's Foreign and Domestic Policies," which was comprehensively discussed by Dorothy Leeper and Clara Weller. Facts from President Harding's inaugural address and his first speech to Congress were brought forth by the speakers to show his policies in the present administration.

Potter and MacGowan were in Pittsburgh over the week-end with the track team which met Tech Saturday afternoon.

PIANO ARTISTS DELIGHT APPRECIATIVE AUDIENCE

CAPACITY AUDIENCE GREATLY PLEASED BY ARTISTS' CONCERT MONDAY EVENING.

With an audience of approximately one thousand townspeople, students and children, the College Gymnasium was crowded to capacity Monday evening at the Duo Piano concert given by Messrs. Guy Maier and Lee Pattison, brought here under the auspices of the Music Department of the Public Schools.

Playing upon two Chickering Pianos, the artists exhibited their mastery of technique and ensemble work in which they are most proficient. The two men had such perfection of rythm and time that it seemed that one instead of two pianos were being played. Especially remarkable was the "Coronation Scene from Boris Godounoff," which was descriptive of the Coronation day beginning with the early mists of dawn until the event of the crowning of the Czar. The remainder of the evening's program was as follows:

I.

Fantasie and Fugue in A minor, Bach-Bauer

Prelude, "The Afternoon of a Faun," Debussy

Scherzo, Op. 87.....Saint-Saens

II.

Variations on a Theme by Beethoven, Saint-Saens

III.

Impromptu Roccoco.....Schuett

Coronation Scene from Boris Godounoff...Moussorgsky-Pattison

a. Valse; b. Scherzo.....Arensky

The Orgy .....Iljinsky

After the entertainment for the evening a reception was held in the home of Dr. and Mrs. Church for the two musicians at which the Faculty and their wives and some thirty-five people from town were present, making about 75 in all. All the people who have met the two artists have been particularly impressed with their extremely pleasing personalities. Their good natures and pleasing appearance at the evening's concert was much appreciated by the large audience.

The two artists leave tomorrow morning for a concert in Rochester and from there they go to Mount Vernon, Iowa, from whence they shortly sail for an extended tour of Europe.

It might be of interest to note that the Chickering Piano Company furnishes three sets of two pianos each for their use so that any delays on the part of the express company will not put them at the disadvantage of having to use other instruments.

Messrs. Maier and Pattison have a unique history; three years ago they were practically unknown. Mr. Maier did not begin to study music until he was sixteen years old. Both men graduated at the New England Conservatory of Music at Boston and when the war broke out were studying in Germany with Arthur Schnabel. In 1917 Mr. Maier went overseas as a Y. M. C. A. secretary, where he became superyisor of entertainment in the "Leave Areas." Mr. Pattison enlisted in the Army and was commissioned as a second lieutenantn. He was made leader of the American Regimental Band at Paris in 1919.

During the summer of 1919 Mr. Maier and Mr. Pattison gave several recitals in Paris where they were so well received that they made a more extended tour of France and England

(Continued on page 2)

Twelve High Schools Will Attend Field Meet

Over One Hundred Fifty Men Are Entered in Annual Interscholastic Affair

With twelve representative high schools of the section entered in the meet of next Saturday, the seventh annual Inter-Scholastic track meet should be as fast and as well contended as the others. Entries were closed on last Saturday evening and the programs are now being printed. A large group of officials have been appointed by the coach, including Dr. R. E. Lee as Starter and Referee; Paul Hill as Clerk of Course; Corbett, Ass't Clerk of Course; Herman Fahr, Bender, Kinney, Wimmer as Finish Judges; Potter, Cunningham, Crumrine, Miller, MacGowan and Fry as Field Judges; Bittner, McCreary and Croasman as Timers, Bacon, Beatty, and Carroll as Scorers; Frazier, Secor, Brevort and Anderson as Inspectors; Lawhead, Plumb, Dunbar, Kramer, Kofford, and Murphy as Marshals; Prof. B. R. Beisel as Custodian of Prizes, and Collom as Announcer.

Arrangements have been made for teams arriving on Friday to be kept over night at the various Fraternity houses. On Saturday, dinner will be served at eleven-thirty and lunch at five at Cochran Hall for all members of the teams. The meet will start promptly at one-thirty o'clock. In order to eliminate the confusion which was so prevalent at Pittsburgh on last Saturday, the management has decided that only the officials and the contestants in the current events will be permitted on the field. The first two rows in the stands are reserved for the other contestants.

The events will be run off in the usual order, with the trial heats for the sprints and hurdles. The finals will be participated in by the winners of the heats along with the seconds from the two fastest preliminaries. Final points will be given as five, three, two and one. Medals and ribbons will be the rewards to the individuals who place.

General admission has been set at fifty cents, although college students will be admitted for a twenty-five cent piece. The band may be on hand to lighten the duller moments with some of its selections. But, according to Dr. Hammett, there will be few of such moments with such schools as the following contesting:

Albion, Pa.—2 men.
Ashtabula, O.—17 men.
Beaver Falls, Pa.—10 men.
Corry, Pa., 9 men.
Academy, Erie—21 men.
Central, Erie—12 men.
Hornell, N. Y.—11 men.
Latrobe, Pa.—8 men.
Meadville, Pa.—9 men.
Pleasantville, Pa.—2 men.
St. Bonaventure, N. Y.—12 men.
South, Youngstown, O.—26 men.

PRESIDENT HIXSON WILL SPEAK TO CHICAGO ALUMNI

ALUMNI ASSOCIATION WILL CELEBRATE BANQUET WITH SUBSCRIPTIONS.

Pres. Hixson will be the principal speaker at the annual banquet of the Chicago Alumnni Association to be held in the College Club of Chicago, May 20, 1921.

This banquet will add great impetus to the Second Century Endowment Fund drive and all Alleghenians in the vicinity of Chicago have been invited to attend.

The committee of arrangements consists of C. P. Warner, '92, H. W. Plummer, '84, Miss Myrta Mercill, '02, and Dr. F. S. Breed, '98, of the University of Chicago.

STUDENT PLAN BECOMES EFFECTIVE ON SECOND BALLOT

Senior Organization Will Be Governing Power of the School

Last Saturday morning the proposed amendment to the Constitution of the Men's Senate was passed by a large vote of the men of the student body and will become effective this year. 251 votes were cast, all were in favor of the amendment. This was the second vote taken as not enough men voted the previous week when only one dissenting vote was cast.

The new system which comes into vogue by the passage of the amendment is looked upon with favor by both the faculty and student body as it puts the governing power of the school in the hands of a Senior organization with representation on a fraternity basis instead of a class basis as heretofore. The Senate is thus practically taken out of politics as each group will have one representative and only one. The fact that the school at large will select one man from the three nominated by each group practically insures that representative men will be picked for the Senate hereafter.

There seems to be little doubt in most people's minds that an all Senior organization will be better fitted to represent the student body as they will be less biased by group prejudice; should be more conversant with the traditions of the school and in every way function in a just and conscientious manner.

In one other respect, Allegheny is a fraternity school in which class distinctions do not play a very important part and for that reason the representation should be on a fraternity basis as the amendment provides instead of on a class basis as hertofore. The Senate can hereafter funtion as an inter-fraternnity council as well as the governing body of the school.

The fact that the Senate will be freed from group prejudice and hostility that has at times heretofore hindered its freedom is an indication that it should function in a large way from now on.

Certainly the step is one in the right direction; that of removing offices of responsibility from the corruption of politics and the men who fostered the change are to be commennded for their foresight.

Observatory Opens For Student Astronomers

DR. LING WILL EXPLAIN PHENOMENA OF HEAVENS TO OBSERVERS EVENINGS.

Warm evenings with unclouded skies have offered many advantages to those interested in astronomy. The observatory has been will filled on each of the several evenings on which it has been opened in the past week. Last Saturday night there was an unusual astronomical offering; Saturn was seen and still may be seen with its rings in a horizontal position. This position of her rings occurs but once in fifteen years. This fact has been of particular interest to Dr. Ling in that it was during his first year, just fifteen years since, that the same position was visible. The Observatory will be open on many evenings from now until Commencement, and the students are invited to go in whenever the doors are open.

Seniors at the University of Ohio are conducting an energetic campaign for prohibition of finals for the last year students. Every member of the Senior class will sign a petition to be presented to the faculty and aid of the alumni association has been secured.

THE CAMPUS
OF ALLEGHENY COLLEGE

Established 1876.

Entered as second-class matter, October 30, 1904, at the Postoffice at Meadville, Pa., under the Act of Congress of March 3, 1879.

Published every Wednesday morning during the academic year by the students of the college, and devoted to the interests of the college and its community.

Subscriptions $1.50 a year. Single copies 5 cents.

The Campus is forwarded to all subscribers until an explicit order is received for its discontinuance, and until arrearages are paid according to law. Subscribers are requested to inform the manager of any change of address.

Communications intended for publication should be sent to the editor or dropped in the box in the main hall of Bentley before 9:30 A. M. Saturday.

EDITORIAL

With eyes, eyes, eyes, all around us and staring at us the new staff bows blushingly before the college. Of course this issue is little more than an attempt, hardly that, in fact. Throughout the year Allegheny has felt the influence of an efficient organization—the retiring staff—whose efforts have made THE CAMPUS worthy of highest commendation. Mr. McCluer leaves a "thankless job" but not without honor and here we acknowledge a real servant to the students of the college, whose connscientious efforts and resourcefulness made the Campus of the past year a truly representative college newspaper.

Occupying a prominent place on the editorial page of every issue of the CAMPUS appears these words, "Published every Wednesday morning during the academic year by the students of college, and devoted to the interests of the college and its community." That is the line along which the new staff will endeavor to work.

The CAMPUS is published by the students of the college. That means that everyone should take an active interest in the paper apart from the reading of it. Criticisms and suggestions should be offered. If you have a grievance tell it to the world through the medium of our columns. If you think of something that will help the college suggest it by means of an open letter. When every under-graduate is seriously interested in the CAMPUS as their paper, then will we feel that this publication, after its forty-five years of existance, has at last accomplished its aim.

At the Varsity Letter Club banquet some few months past, the keynote inin President Hixson's speech was "All Together," a spirit which could no better express the pulse of the students than in the endowment campaign just closed. One hundred percent. is efficiency but it takes the "ALL TOGETHER" cooperation to "Go over the Top!"

SCHOOL SPIRIT.

What has made the big universities of the country so well known all over the world? School Spirit. Why is it that in too many cases Allegheny College is spoken of as being in the lurch? School Spirit. When you are trying to persuade a man to come to Allegheny for his collegiate work, do you tell him about the college, do you tell him that it will be as useful to him as nearly any school he may mention as far as academic rating and equipment is concerned? Do you think that it is for any advantage to the college that you urge the prospective student to enter Allegheny? NO, in nine cases out of every ten he is known to you as being well versed in some branch of activity and as a result will make a valuable asset to your fraternity with the result that you talk fraternity to him before you get the benefits of the education at Allegheny set before him. Men from other Schools get on his trail. They tell of the accomplishments of the school, of the big men around the school, the thing that was the most talked of in the events of the year. They get him and do the other talking afterwards. We make too much of the fraternity as a part of the school. When the part becomes more important than the whole then it becomes the whole and this is the case to a great extent in Allegheny. There are too many working for the fraternity and its Assets while the few who work for the school and try to promote its interests are looked upon as trying to run everything which is in reality but a reward of the meritous attempts. The writer is a rabid fraternity man who is probably one of the most flagrant violators of this clause but the realization has come that in too great a degree when we are assembled in groups here and there we are fraternity men. When a player is pointed out it is always with the same remark, "He is a Beta, or Deke," or whatever the case may be. Let's get together and be Alleghenians when all together and try to have school spirit be the big factor in our life instead of the antagonism which too often comes as the natural sequence of too much emphasism on the group. What is to be our attitude toward the high school men this Friday? School Spirit?

The annual East-Central Field Student Y. W. C. A. Conference is to be held at Eaglesmere Park, Pa., from June 21 to July 1. Last year Allegheny had ten representatives at this conference, a small number in proportion to those from other colleges. One of the ways in which any college is judged is by its representation at the annual Y. W. conference. So this year why couldn't Allegheny have just twice as many representatives as she had last year? Surely the athletic events alone, such as swimming, canoeing, tennis, etc., would make any girl want to go, and Allegheny wants to hold her own with other colleges in these contests. There is much to be gained at Eaglesmere in other lines, too, of course, and every Allegheny girl who possibly can should make every possible effort to attend.

One reason, in the past, that more Allegheny girls have not attended the conferences is that some thought that only certain chosen "delegates" were permitted to go. That is not the case; any girl may attend. Allegheny wants her to go, and furthermore, the local Y. W. C. A. maintains a conference fund from which any girl may borrow all or part of her expenses. So do not let the lack of money prevent anyone from making a trip well worthy of their time.

In some colleges, every organization such as the various classes, sororities, women's athletic boards, and Student Government Board send delegates to Eaglesmere. Why should not this be the case at Allegheny?

The Campus Staff meets every Friday at 1:15 o'clock in the Campus office in Bentley Hall.

PIANO ARTISTS DELIGHT

Continued from page 1.

the next summer. Even the harshest of London critics gave warm praise of these recitals.

This season Mr. Maier and Mr. Pattison have appeared as soloists with the Boston Symphony Orchestra. At their entertainmennt given in Chicago, the "no encore" rule was broken for the first time in ten years.

Biology Prof.—"You, sir, can you tell me if there is any connecting link between the animal and vegetable kingdom?"

Stude—"Yes, sir, hash."

CHESS TOURNAMENT IS WON BY PITT TEAM

PANTHER CHESS REPRESENTATIVES WIN EIGHT AND DRAW THREE GAMES.

Experience seemed the deciding factor in the Allegheny-Pitt Chess Tournament held in Cochran Hall on Saturday afternoon in which the Pitt representatives won over the local players.

The tournament, scheduled to begin at 3:45, did not start until 4:00 o'clock, due to the fact that the Pitt team did not arrive until late in the afternoon. The tournament lasted until six in the afternoon, beginning again at 7:45 and lasting until 11:00.

The Pitt team was composed of Dunkle, Captain; Smyers, Sarraf, and Harrar, playing in order named. Other members of the Pitt Chess Club making the trip were Mr. Hoyt, President of the organization, and Dr. Lane, a member of the faculty of the University of Pittsburgh.

The Allegheny Chess Team, selected from the college tournament of the past two weeks, was composed of Ross, Captain; Dwyer, Agnew, and Stewart, in order named.

The highest men of each team played three games in the tournament, the second men three games, etc., making a total of 12 games played. Each game counted one point toward the winning of the tournament and a draw counted ½ point for each player.

Cyrus G. Dunkle, a Freshman at Allegheny during the year 1918-1919, and Captain of the Pitt Chess team, showed his skill in defeating Captain Ross three times. The Smyers-Dwyer match was of interest for the length of time that these two men fought over the first game—it lasting four hours and finally being won by Smyers. Smyers was also the winner of the two following games. Probably the most interesting matches of the tournament were those between Agnew and Sarraf,—interesting because of the closeness of the games and the fact that all that could be obtained from these three games were draws. The fourth series, between Harrar and Stewart, resulted in two victories for Harrar and one for Stewart. The total score for the match was 9½ to 2½.

Much interest was shown in the match,—there being no time during any of the matches when a goodly number of spectators did not surround the tables and watch the procedure of the game. One of the Pitt men remarked that he was surprised that so many of the men of the college were interested.

The referees of the matches were Dr. Green, Dr. Lane, Dr. Darling and Dr. Church.

Defeat at the hands of Pitt was to be expected as they have had more experience than Allegheny. It was stated by one of the members of the Pitt team that a decisive defeat at the hands of Carnegie Tech earlier in the year had been the cause of a vast improvement in their playing. It is expected that the same psychological factor will work in the case of the Allegheny team so that Allegheny may mark up a decisive victory over Pitt when our team plays the return engagement next year.

Meets will be arranged with Pitt, Tech, and possibly Geneva.

COMMENCEMENT IS DATE SET FOR "GONDOLIERS"

LACK OF PREPARATION IS RESPONSIBLE FOR POSTPONEMENT OF OPERETTA.

By an arrangement made Saturday evening between the leaders of the two Glee Clubs, the presentation of "The Gondoliers" has been postponed until Commencement week. Lack of preparation is the cause assigned to the change, although the people in charge are assured that there will be ample time before the twelfth of June for complete preparation.

Prof. Hardman, of the Pennsylvania College of Music, of this city, states that practice is progressing rapidly, and within a short time the players will be fully able to give their parts without the copies, which means that from that time on, the practice will be given over to the interpretation of the parts. Although the time has been changed, practice is continuing as rigorously as previously.

INTER-FRATERNITY TRACK MEET IS SCHEDULED.

Final plans are being formulated for an inter-fraternity track and field meet to be held on Montgomery Field in connection with Moving-Up Day, June first. The Block A Club has voted favorably in support of the plan and Director of Athletics Hammett has gone ahead developing the idea. As has been previously announced, the prize of the winning organization will be the loving cup donated by Dr. Hammerschlag, of Carnegie Tech, for the advancement of athletics at Allegheny.

To prevent any idea being held that any special fraternity will have an advantage because of more A men or more Varsity men, it has been decided to give four places, with counts of five, three, two and one. Thus the second, third and fourth places will amount to more and serve to increase the competition. In addition to the regular events, a relay race will be staged, which will count in the final scoring.

Matches are made of wood. He wooed and she would.

SALESMEN WANTED

The Twin State Gas & Electric Company serving with electric light and power a population of 105,000 in New Hampshire, Vermont and Southwestern Maine, needs bright, energetic men to sell its 7 per cent Prior Lien Stock, permanently or for vacation period. This Company has been operating successfully for fifteen years, has been paying dividends on its preferred and common stocks for twelve years and has earned for many years an amount equivalent to three or four times the annual dividend on the Prior Lien Stock outstanding.

There are good opportunities for advancement in this and affiliated organizations, and with associated investment bankers.

Apply in person or by letter to the office of the Company, 55 Congress Street, Boston, Mass., or A. H. Bickmore & Co., 111 Broadway, New York.

Allegheny Breaks Even In Debate With Mt. Union

Negative Teams Show Government Ownership Would Be Poor Policy

In awarding a unanimous decision in favor of the negative team on the question:

Resolved, That the Federal Government should own and operate the coal mines of the United States, constitutionally waived," Allegheny won from the strong Mount Union College team in the final intercollegiate debating contest of the season, held in Ford Memorial Chapel Friday evening.

The Affirmative team, debating at Mt. Union, lost by a two to one decision. Allegheny was represented by Messrs. Melcher, Graham and Hickman, whose strong arguments for Government ownership on the question made the award difficult to decide.

The debate at home was opened by George Kearns for the affirmative, who by drawing vivid pictures of the present coal industry conditions, pointed out the evils that existed therein.

J. O. Russell, the first speaker for the negative, opened the debate for Allegheny with a strong argument, in which he showed that the evils that might exist in the coal industry were not to be blamed upon the operator but upon the lack of transportation facilities, to speculation on the part of the consumer, and to the middleman and the broker.

Jack Cheney, the second speaker for the affirmative, continued the debate for Mt. Union by arguing that government ownership and operation was advisable and would solve the labor problems and eliminate waste.

John Bozic, the second speaker for the negative, continued for Allegheny and brought out in a forceful way facts in the case which seemed to indicate that the private operators are not wasting the coal, and that they are efficient. He further gave evidence to the claimed fact that now, of all times, when Congress is overloaded, the change should not be considered.

In closing the debate for the affirmative, Mr. Rufenact, of Mt. Union, argued that government ownership and operation was possible, and that it would work. He quoted the postoffice and the Panama Canal as instances of the ability of the Government to handle great enterprises.

Mr. Carney closed the debate for Allegheny in his accustomed forceful manner. He gave strong evidence to show that Government ownership is not efficient and would be impracticable.

In the rebuttal speeches the Allegheny debaters, as in their constructive argument, had a decided edge on the men from Mounnt Union. They presented their arguments in logical order and struck at the main contention of the debate. Carney closed Allegheny's rebuttal with plain, sound, convincing arguments, quoting the authorities on the subject.

Many persons in attendance said that it was one of the best debates that they had heard on the local floor in several years.

The Judges for the local debate were the Rev. Harry B. Boyd, Principal John C. Diehl, and Mr. W. V. Zahniser, of Erie, Pa.

PITT VICTORY HASTENS TENNIS ELIMINATIONS

CLOSE TOURNAMENT IS EXPECTED WITH PITTSBURGH RACQUETERS THURSDAY.

With a victory over Mt. Union College to their credit, the University of Pittsburgh tennis team will meet the Allegheny College net men Thursday afternoon on the Phi Delt and Phi Psi courts. However, a great deal of information regarding the strength of the visitors cannot be had from the Mt. Union victory, and Manager Cochran is unaware of the real strength of the Pitt team. Inasmuch as the fourth and fifth members of the Blue and Gold team have not been chosen to date, team practice is impossible. This may have some bearing on the outcome of this match, but with Flint and Cochran displaying the form showed in the Grove City contest, the Pittsburghers are assured of a close tournament.

CURRENT ITEMS.

French cavalry are already in the Ruhr district according to a report from Berlin issued Sunday. It is now expected that the Allied ultimatum will be rejected as the German government is said to have completely reversed their attitude with the reported occupation. The party leaders have won support in their stand against acceptance as they argue that the acceptance of the ultimatum will bring about Germany's immediate ruin.

REV. LOVELL TALKS ON CHINA AT Y. M. C. A.

CAMPAIGN FOR ADDITIONAL FUNDS FOR ORGANIZATION NEARS QUOTA.

Thirty-three members heard an excellent address given by Dr. Lovell last Wednesday at the regular Y. M. C. A. meeting. Dr. Lovell is an authority on China, having taught and preached in that country for over fifteen years. At present he is representing the Presbyterian Church in an endeavor to create more interest in missionary work. He has visited many of our leading universities and colleges—including Yale, his Alma Mater—where he has interviewed the students as to their life work. Only to those who did not hear him last Wednesday evening is it necessary to say that he has met with much success in his campaign; he has unusual ability in presenting his work, and has had a vast amount of experience in just such work. In his address he told of the many students who decided to live a life of service just through having been interviewed and having had the need of mission work presented to them. One of the most popular students and athletes at Yale is going to take charge of a school in the interior of China as a result of having been interviewed on the need for a life of service. Dr. Lovell spoke of numerous places to be filled in China alone by Christian teachers and missionaries. One of the schools which Dr. Lovell built is now waiting for some one to take charge of it. Dr. Lovell made it quite emphatic that China needed not only preachers but doctors, engineers, and political leaders as well.

After the address interviews were arranged for by the men in order that they might have an opportunity to talk about their vocations. Dr. Lowell stated that he desired to interview the men about any form of life work, and that he would not talk about mission work unless the person interviewing him so desired.

The financial campaign for the Y. M. C. A. fund is meeting with some success, but it will not close until the goal is reached. The money sought is not to provide anything unnecessary to the welfare of this worthy organization, but is needed to pay current expenses, such as the annual joint reception of the Y. M.-Y. W. and the securing of out-of-town speakers.

BASE BALL RESULTS.

Results Last Week.

Phi Delta Theta, 7; Alpha Chi Rho, 1.
Phi Gamma Delta, 9; Sigma Alpha Epsilon, 1.
Phi Kappa Psi, 6; Beta Upsilon, 1.

Standing of Teams.

	Games	W	L	Pct.
Phi Gamma Delta	4	4	0	1.000
Phi Delta Theta	4	4	0	1.000
Phi Kappa Psi	4	3	1	.750
Delta Tau Delta	3	2	1	.667
Allegheny Club	4	2	2	.500
Sigma Alpha Epsilon	4	1	3	.250
Alpha Chi Rho	5	1	4	.200
Beta Upsilon	4	0	4	.000

Three games were played in the Interfraternity Baseball League during the past week. The leaders maintained their respective positions, thereby tightening the race to a considerable extent.

The Phi Delts continued their winning streak at the expense of the Chi Rho's, winning in easy fashion. Loomis starred for the winners. The line-up:

Phi Delts—7	Chi Rhos—1
English	Blodgett
Catcher	
Loomis	Sprague

In the second game of the week the Phi Gams maintained their perfect average when they took the Sigs into camp by a 9 to 1 score. The work of Klinestiver and Croasmun was the feature of the afternoon.

Phi Gamms—9	Sigs—1
Klinestiver	Shultz
Pitcher	
Croasmun	Morris
Catcher	
Swanson	Robinson
2nd Base	
Hough	Murphy
1st Base	

The Rev. H. G. Ogden Gives Sunday Sermon

ROCHESTER PASTOR DISCUSSES THE TEXT, "SIR, WE WOULD SEE JESUS."

THE REV H. G. OGDEN—18 PT . . .

The Rev. Horace J. Ogden, pastor of First Methodist Episcopal Church, of Rochester, N. Y., spoke at the Chapel on Sunday morning from the text, "Sir, we would see Jesus." Miss Dorothea Kerr sang a solo, "O Divine Redeemer," and Mr. Stewart sang "Mother O' Mine."

"Man has time only for great things, great thoughts, great considerations," said Rev Ogden. Since Jesus is the epitome of all that is good and great, He alone can meet the needs of humanity.

A college education furnishes the firm foundation upon which to build a strong life; it furnishes a viewpoint to relate life to the great considerations. Man has been too eager to specialize and has failed to meet the three primal needs of the soul.

What is God? God must be like Jesus; gentle but just; charitable but upright; all virtues must reach fulfillment in Him. The God and Father of Jesus is the God and Father who will satisfy that hunger for God.

What is man? Man is more than the mere combination of chemical elements. Love, sacrifice, hope, service to something within; all the characteristics revealed in Jesus make the real man. The element of freedom,—freedom for service is the greatest power of man. Manhood rises to its height as it is like the manhood of Jesus. The Christian ideal will come only when man thinks of others before himself.

What is life worth after all? Life is a preparation for that which is to come. Death has been called a sleep, in another place it is spoken of as an exodus. Life is a preparation for that exodus, a home-going.
