Miss Ida M. Tarbell,
New York City.

Dear Madam:-

We are announcing your forthcoming book "The Tariff in Our Times" for publication in the Fall. We are most desirous of getting it out at the best season so as to take advantage of every favoring circumstance. The time is already short and we should have the copy in hand at the earliest possible moment in order to get the book through the press on time. Will you not be so good as to write us at once, informing us as to the exact date when we may look for the MS? We trust you will understand that we call your attention to the situation in this way because of our desire that the circumstances of publication may be as favorable as possible.

Trusting that we may hear from you at once and assuring you of our readiness to cooperate with you in pushing the book through the press, we are,

Very truly yours,

THE MACMILLAN COMPANY.
