

830 Paul Avenue

Dear Miss Tarkell -

I want to thank
you for the charming
pig - it is a very
worthy addition to
my collection, and
certainly the one
possessing the most
distinguished donor.

Thank you so much for
thinking of me and my
house so delightfully.

Grandmother was highly
pleased with her ink-
and has charged me
to thank you for it, as
she writes very seldom
now. I think she was
tremendously thrilled
to have your ink with
such a fine inscription.
She speaks of you often,
with high commendation!
So with an thanks to
you. - Cordially
